As Mr. Harris was covered for \$250.00
rather than a salary less than
and a form

Mr. Harris had 3 years service & his salary was \$250 a month

Not a strong case - indicate in our

Official Paper

Mr Macraight

Miss Foster has now returned the form, but as she is only 36, has no children, has still £300 of the insurance money left, & as her husband had only 2 years service, it hardly seems worth while sending out to the Protectorate. I ought to really make for the East African Division rather than for the General Dept.

I agree in the above -

T.O.M.

Dr. Antolius says that the S. 12/8 has completely eroded
case. ^{but} reports that it is not one in which
he would feel justified in authorizing a
Special Grant?
