REC'D 14 APR 08

APR 14 1908

Mr. Under Secretary of State
Department of State
Washington D.C.

Thank you for your note of 10/5/08
Referring again to our interview of
1st April I am prepared to consider favourably
the suggestion that I should put on an ocean
steamer to take the place of the "Suba" which
since I had you would in that case withdraw
from the service

To enable me to come to a decision I
should be very much obliged if you would
furnish me with any statement of the charges
the "Suba" has carried for the last year or so
I am, Sir, etc

Yours faithfully
