Mr. Read

The figures given are	
Expenditure	£442,143
Revenues	202,392
Showing a deficit of	<u>£239,751</u>

towards which a grant-in-aid of £177,158 is said to be required

I do not understand how the amount of the proposed grant is arrived at. Can you suggest any explanation?

(The de-coding appears to be correct)

Mr Engelhard.
I take it that the difference is
made up by the excess of units over
estimates

Mr. Reed As the approximate
estimates have to go in by the 15th
Decr, — the detailed sets are wanted
by the end of Decr, — it might
be as well to get a preliminary
letter off to the Treasury! I would
like for consideration

Sir,

I am directed
by the Secretary
Lyttelton to transmit
to you, to be laid
before the L.C. of
the Treasury, copies
of a Telegraphic
Correspondence which
has passed between
this Dept and
the

the O. A. F. of the
East Africa Protectorate
from which their
Lordships will learn
that a sum of
£177,158 will be
required as a grant
in aid of the
Protectorate in 1906-7.

It is believed that
the difference between
this amount and
the estimated deficit
of £239,751 is
made

Estimated Expenditure	£ 442,100
Revenue	202,900
Deficit	239,200

made up by the excess
of assets over liabilities.

As soon as
more detailed information
is received it will be
laid before their Lps;
but in the event of
such information being
delayed I am to
ask ^{of} their Lordships²

to sanction for provision
being made
~~in accordance with~~
~~provision~~
allowance in the
Dft. Estimate for
the sum asked for.
