Conservancy fees for foot house karate

Requests sanction for payment of Rs 112 for
Vote for maintenance & repairs to Pally Bldg.

Mr Read

I think the charge is in the nature of
a local rate, not we might ask Sir James
Sadler to explain it

Mr. Family

The charge is a local rate & has always
been paid by the occupant of land
at least the supplementary rate on the smaller
plots - until the former period when
the new grant scheme when the buildings were
removed & the occupant at a higher rate,
the Conservancy fees are furnished & I have

advising that the charges should be paid
to one account. General -
Recall to 102 I am perfectly sure to
have a list of these charges if necessary.

Mr. Read says
Conservancy fees appear to be rates
for the removal of excreta, and I
should have thought that they ought to
be borne by the occupant of Govt.
House. In E. Africa officials have
to pay their own rates. On the other
hand Govt. House is no doubt larger
than is agreed for the personal
needs of its occupant.

Perhaps the General Dept. would advise

Mr. Read Hamley

We have nothing in the General Dept.
which bears on this. No doubt the question of payment
of local rates has come up in other Gen. Dept.

Mr. Read

I spoke to Mr. Green about this & he thinks
that each Col. or Pte. should make his own
arrangements in a matter of this sort.
The Gen. Dept. cannot help.

I gather that in Nigeria - at Lokoja
& Zungeru anyway - the ordinary official
ways had been set as in E. Africa.

but I can obtain no information
from the House itself.

I don't think we need recover
the sum from the late Govt. - it
is about £8 - but as conservancy
has been paid by the
occupant of Govt. House in the
past, it is for reason neither
we should not direct their
argument by the Govt. in future.

I agree as to not recovering from
Mr. J. H. S. Saller. I am inclined
to think that the fees should be paid
in future by the Govt.
