MR HUTCHIN'S SALARY.

No reason why increment should be withheld apart from questions in connection with the erection of his house. Does not think that any censure it is decided to inflict upon him should be expressed by the withholding of increment.

The C.O. the increment may be used as from 1st June;

No. 523

My Lord,

In reply to Your Lordship's despatch No. 406

of July 27th, I have the honour to report that there is no reason why Mr. Hutchins' increment of salary should not be granted to him, apart from the questions which have arisen in connection with the erection of his house.

2. Such censure, if any, as Your Lordship may be disposed to inflict upon him in that respect, would, I venture to think, more suitably take the form suggested in my despatch No. 513 of 3rd instant, rather than that of withholding his increment.
