Instructions

12th November 1909

Instructions referred to on page 1

If this Paper of Particulars and the Certificate connected with it, be not sent in original, the copies must be duly attested.

Head 1 of Paper.—In the case of an Officer serving on the West Coast of Africa, a statement is to be added whether he is a native of that Coast. (Colonial Regulations, § 436).

Head 3.—State the description of Allowance for which the Applicant is recommended, viz. Superannuation, Compensation, Compassionate Allowance, or Gratuity, and its amount. In the case of Persons claiming an addition to their Pensions in respect of Extra-service, or other special qualifications, this should be stated, and a reference should be given to the authority under which the claim is made.

Head 5.—If the service has been interrupted by one or more leaves, the number of months of absence should be stated, and the number of months of service should be stated under heading 4.

Head 6.—If the average salary or wages for the 36 months immediately preceding the date of retirement is to be inserted, preceded by the word "actual," in other cases the average annual amount of Salary or Wages for the 36 months next preceding the date of retirement should be inserted, preceded by the word "average," but if the whole period of service is less than three years then the average for the whole period of service should be inserted.

Head 7.—A separate statement should be inserted of the average Annual Value, for the 36 months immediately preceding retirement, of each Emolument (exclusive of salary or wages) which is claimed to be included in the calculation of the Pension or Gratuity.

Whenever the value of a House or House Allowance, so ascertained, exceeds one-sixth of the salary and other emoluments which count for Pension purposes, it is to be reduced to one-sixth of that amount, so that it shall not exceed one-seventh of the whole.

Fees which an Officer is allowed to retain for his own use will be taken into account for Pension purposes, with regular salary, at the annual average of the net receipts of the 36 months next preceding the Officer's retirement. These net receipts are to be ascertained by deducting from the gross amount of Fees such Office Expenses, &c., as an officer may have had to defray from his own resources, in performing the services for which he was remunerated by Fees. No deduction, however, from the Fees should be made in respect of Office Expenses provided from Public Funds, in the due discharge of those duties to which a Fixed Salary is annexed. Papers of "Particulars" when forwarded to the Colonial Department should be accompanied by formal Declarations from the retiring Officers, showing the amount received by them for Fees, and the amount defrayed above for Office Expenses, &c., in each of the three years immediately preceding the retirement. It will be the duty of the Colonial Governments concerned to satisfy themselves of the accuracy of such statements before forwarding them to the Colonial Office. In the case of Officers receiving Fixed Salaries and Fees, the Fees will not in ordinary circumstances be allowed to count for Pension purposes to the extent of more than one quarter of the Salaries, and Fees will not in any case be allowed to count for Pension purposes during any period in which the whole time of the Officer receiving them was not given to the Public Service.

Head 8.—In cases of Invalidity, if the Applicant is below the ordinary age for retirement, a Medical Certificate should be submitted, and the following questions answered:

1. How long has the Applicant been suffering from the disease?
2. How long has he been unable to perform his duties?
3. How long has he been unable to perform his duties, whether or not during the last year of his service?
4. How long has he been unable to perform his duties, whether or not during the last year of his service?

Head 11.—If in special circumstances a pension has been allowed to a person who has been engaged without forfeiting his right to Pension, the reasons therefor should be stated.

Head 14.—If the Applicant is liable to any deduction from his service under Clause 102 of the Colonial Regulations, the facts should be fully stated.

Head 19.—The length of service and other particulars of the computation are to be given. When an average of Salary, &c., is taken, the mode of calculating it (whether by months, &c.) is to be explained.
