re: 27.7 - ~~substantiated~~ the
abstract.

It has got to be of great importance
to attend to the rumors, but if the
rumor shall proceed to abrupt stopping
of the Somalis on the Juba, it might
be a serious business for the S.A.P.

We should probably have heard further news
by cable if there had been anything serious
in this; at the same time there is always
the chance of trouble in Jubaland, even without
