previous Paper

You tel. 14/4/10. On receipt of the telegram from Nairobi I was to
be sure in the way opposed to the line I do
not think it will require as - I am not in favour
of the line as I do not & have never had before
the line - but with a hope all may be done
by the end of the year.

with added

We must accept the as disposing of
the preliminary difficulties, and give the
understandings in reply to 11030, the
substance of the first half of the
telegram.

I now submit the draft of a
further telegram to Sir P. Groomer
in accordance with the minutes on
C.W.

Your telegram of the 21st April/Crawforth
in writing states: - "I wish to repeat I am in no
way opposed to this line. I do not think it will
injure us." &c. I am not in favour of co-operation
as I do not and never have believed in these cars
on bad roads in tropics. All rains here stop them
working.
