Shipping freight for maize

Understands that Br. Ind. Co. have agreed to reduction of 45% at a minimum of 2000 tons & that C.A. have asked for tenders for 7000 tons materials. Asks that claims of any line which would prevent reduction of export values be considered carefully.

W. F. Fisher

With regard to the first part of the tel., we have also info. the Govt. in our tel. of 28th of June on C.A. that the Br. Ind. agreed to the 1908 reduction. It looks as if he had not read our tel. of 28th of June or that we had better telegraph saying that we presume that he has read our tel. of the 28th of June & that the despatch referred to is left by the mail of the 1st of July - or send copy of 21585 & of our reply to the C.A. with refer. to previous
