Tana River Concession

The land on both banks of the river is densely populated & cultivated to a depth of about a quarter of a mile. This should be brought to notice of applicants who should be info that this land will be available & access to mangroves only at certain points. Only waterways noted as of small value. Land is of variable quality. A H. K. ... has been granted an option for 5 years to ...
Remains of population that date ... settled in ...

W. Head

Extract from minutes of 32nd ...
... Committee

The Committee recommended that Capt. ... should be

be granted the concession, subject
to the conditions mentioned in the
Governor's telegram of the 12th July
resp. of 15th July. That Captain
Drummond should be informed
that the Governor had recommended
that the details of the lease
should be settled locally and
that the Sec. of State had no objection
to this course, if Captain
Drummond concurred.

Recd for Lt. H.B.
