Rec^d 5 NOV 10

No. 614

My Lord,

There has been some delay in replying to
Your Lordship's letter of the 11th inst.

The Provincial boundaries before the
Director of Military Operations with the information he requires.

Definite Lines

1. The boundaries were settled some years ago and with increased knowledge and more accurate survey certain changes rendered necessary if tribal divisions were to be maintained as opposed to arbitrary lines, have been automatically introduced, and the definitions, which I now have the honour to forward, show the Provinces as they now stand.

2. 3. There are here and there as I have explained above slight differences but they are so slight that it would be difficult to detail them and the simplest way seems to be to restate the boundaries as a whole, and of course the Your Lordship approves of this proposal they will appear in the official Gazette.

THE RIGHT HONOURABLE
THE EARL OF CREWE, K.G.,
SECRETARY OF STATE FOR THE COLONIES,
DOWNING STREET, LONDON, S.W.

4. Meantime I am taking steps to have the districts of each Province formed, and I would propose to publish them in the same way.

5. If Your Lordship approves this course I should be glad if the Director of Military Operations could be consulted on the subject.

I am, Sir, very respectfully,
 Your Lordship's obedient servant,

I have the honour to be,
 Your Lordship's humble,
 obedient servant,

G. G. G. G.
 GOVERNOR.
