The request for discretion is reasonable. If the Secy. Dept. do not object, send copy to Treasury asking them to agree to the Governr being allowed a discretion in such cases, subject to the limiting of amount of gratuity to a year's pay.

I don't mind about the paper of particulars, but I think it would not

Given a general direction. I would not
think it best that some rule must be
observed - ask for the man's pay and
a statement that service was continuous.
But in future the Gov. might in any report
congratulate a gratuity subject to the usual
limit & report - in these cases, he should
submit.

It is a small matter, but it is not without
importance.

No. 711

Sir,

I have the honour to recommend the grant of a gratuity of Rs.150 to Heri Boheti who, after serving Government for 15 years as a Hospital dresser and lately as a sweeper, has been discharged owing to a mental breakdown.

2. The man's record is a good one and he was formerly in charge of the Native Hospital at Mumias before a Compounder was stationed there. I trust that you will be able to recommend this as a deserving case to the Lords Commissioners of His Majesty's Treasury.

3. It has been impossible to prepare the requisite pension or gratuity forms for submission to the Lords Commissioners owing to the very meagre information obtainable respecting this man.

4. Similar cases are sure to occur when dealing with old native "merial" staff whose records and service papers are very incomplete, and I would ask

permission
