Memorandum for  
European Police Consulates

Under no provision of

W. Butler

I have had this reported as the  
answer returned to CA, may be  
useful for future reference.

As to Question 1, I cannot  
say for certain, but I think it  
probable that the bare necessities  
such as those enumerated  
on p 52 of the notes for junior  
European officials will be  
provided for consulates.

As to Question 2, I do find nothing  
in the Police Report to help, but  
having regard to the inf. which you  
got from the Post that the frontier  
posts etc. must take out their  
note

pillows, it might be supposed

that these men <sup>should do the same</sup>  
But as the ~~British~~ <sup>are not</sup>  
a military body, it is not  
improbable that they have  
blankets etc. served out to  
them from Govt. stores.

Think the safest plan will  
be to telegraph briefly to Genl.
