Rephrase of Tel. from his Capt of his 19 August 1905.

to 40.

With reference to my tel. nos 38 & 39 - I am informed
from a source of German East Africa that only casualties
two men wounded among the troops at Inatumbi
does not confirm the report that of the murder
the Bishop and his companions but mentions
and adds that a non-commissioned officer
and two traders are also reported killed. Other
troops are prisoners.
