Phillips

AMERICAN EMBASSY,  
LONDON.

2.37  
JAN 10

January 2nd 1910.

I have the honour to inform you that Dr. Arthur A. Fowler, an American citizen who is recommended to this Embassy by the Secretary of State of the United States, is planning an expedition to British East Africa for the purpose of capturing wild animals - particularly lions and leopards - and obtaining motion pictures of the species. The motion pictures are to be shown in connection with lectures in Great Britain and the United States.

Dr. Fowler's expedition is constituted as follows:-

1. Arthur A. Fowler.

Colonel G. W. Jones.

Mr. Guy Scullin.

Two cowboys.

1 moving picture man and assistant.

12 horses.

3 American dogs.

The expedition is to be outfitted by the Doma Trading Company

Es, Line Street, London.

The dogs above mentioned are particularly examined for  
creeping lions, leopards, &c. and are therefore essential  
to the success of the expedition. Mr. Fowler is desirous  
of obtaining from the Colonial Office permission to land  
his dogs immediately on arrival in British East Africa  
without having them detained in quarantine. In this con-  
nection I may remark that by the time the dogs arrive at  
Mombasa they will have been kept continuously for fifty-  
one days or more. (Mr. Fowler's dogs had just arrived  
from New York, by the steamer "Halbert" on January 29th,  
last to Hamburg, were transhipped to the steamer "Hercules"  
which sailed on the 31st and is due at Mombasa on February  
17th.) If so desired the dogs could be kept direct at a  
rendezvous Mombasa and there kept absolutely away from  
other dogs.

I have the honour to request that the above facts be  
brought to the knowledge of the Colonial Office and that  
that Office be kindly requested to accord Mr. Fowler the de-  
sired permission.

In case Mr. Fowler's request be granted, he would like

to receive the necessary letters in London not later than  
January 27th in order that he may reach Mombasa before  
February 17th.

In addition to the above Mr. Fowler is desirous of  
being introduced to the authorities of British East Africa  
and is also going to undertake a private zoological expedi-  
tion.

Signed, William Fowler.
