FOREIGN OFFICE,

Sir:-

I am directed by Secretary Sir J. Gray to transmit herewith, for the consideration of Mr. Secretary Harcourt, copy of a despatch from His Majesty's Minister at Adis-Abeba suggesting the permanent appointment of Mr. E. G. Zaphiro as First Interpreter, with the rank of Oriental Secretary, to His Majesty's Legation in the place of Mr. Beru, who has been dismissed from that office, in the event of the Government of the East Africa Protectorate consenting to surrender his services.

I am to enclose at the same time copy of a despatch which has been sent to Mr. Thesiger in reply, asking him to furnish more detailed information in regard to Mr. Zaphiro's proposed transfer and especially in respect to the economies which he proposes to effect with a view to meeting the additional cost of the appointment.

Sir

Under Secretary of State,  
Colonial Office.

Sir E. Grey desires me to say that he concurs in  
Mr. Thesiger's view that it would not be possible to  
replace Mr. Berni with another Abyssinian and also that  
it is essential that His Majesty's Minister at Addis  
Ababa should have the services of a trustworthy and  
efficient interpreter. He is of opinion that Mr.  
Thesiger must be the best judge of Mr. Zaphiro's  
qualifications for the post and he therefore directs  
me to enquire whether Mr. Harcourt would be willing to  
submit to Mr. Thesiger's request that the Government of  
the East Africa Protectorate should agree to allow  
Mr. Zaphiro to leave their service and accept permanent  
employment on the staff of His Majesty's Legation in  
Abyssinia.

Sir E. Grey will wait the decision of the  
Colonial Office on this matter before submitting Mr.  
Zaphiro's appointment to His Majesty's Treasury.

I am, Sir,

Your most Obedient &

Humble Servt.,

W. D. A. [Signature]

EXPIRE JANUARY 4, 1972

AMERICAN AIRLINES

10 DEC 1970

I have the honor, Sir, to refer you to my circular of the 2nd instant, in which I stated it would be possible to examine this matter at noon on the 27th instant in the hallways of the building, the examination being held by a doctor or a trained nurse. Please let me know if you prefer to have the examination held elsewhere. In accordance with your instructions, I have enclosed a copy of the circular sent to the previous CEC's office.

Please accept my assurance that we shall here do all we can to expedite and facilitate the examination. I would like to get in touch with Mr. Alvin H. Johnson in the afternoon to discuss your opinions on this question.

As Captain-in-Chief and will make arrangements in this capacity. To facilitate prompt examination, take personnel service with the Captain, who is to cover the cost of the examination and pay all expenses (100) between this and prior to return paid by me to costs of transportation, for registration, etc., and also to costs of hospitalization.

post to Dera Dawa by means of their couriers. They would receive our sealed bags here and hand them over to our agent at Dera Dawa, and would not have the handling of the letters in any way whatever.

Our mails would be infinitely more secure for this section of the journey than they have been hitherto, because I find that our post has been frequently carried by Mr Beru's slaves, he and the postmen between them dividing the salary which provided for two armed men. If authorised to arrange this, I should hope to save about £40 a quarter. This added to the money saved (£5 per annum) by the recent transference of one of our interpreters to the East African Protectorate, and the subsistence allowance paid to Mr Beru (£9 per annum), would make up roughly the £320 mentioned above.

I would ask that if this proposal is sanctioned Mr Zaphiro should not be called an interpreter (which lowers his status among the Abyssinians) but be appointed as Oriental Secretary as is done in Cairo.

Mr Zaphiro's special knowledge of the East African frontier would be of great service to the Protectorate here in Aden Arabia, and I trust Sir Percy Girouard would take this into account in consenting to his transfer to this legation.

I have written home to tell Sir

the result of your letter.

Your kind obediency

30 OCTO

FOREIGN OFFICE,

December 19 1910.

Sir:-

I have received your despatch No. 67 of the 19th ultimo suggesting the appointment of Mr. Zaphiro as First Officer, refer to His Majesty's Legation at Aden Ababa with the title of Oriental Secretary in the place of Mr. Heru, if the Government of the East Africa Protectorate can be induced to surrender his services.

I am in correspondence with His Majesty's Secretary of State for the Colonies with regard to the transfer of Mr. Zaphiro from the service of the East Africa Protectorate to that of His Majesty's Legation at Aden Ababa, but before applying to the Treasury for their sanction of the appointment I must ask you to supply me with full information on the following points:-

1. In addition to a proposed salary of four hundred pounds you suggest the grant to Mr. Zaphiro of a yearly allowance of one hundred pounds. Sir:-

Main  
The Honourable

W. G. Thesiger, D.S.O.  
Sc., Sc., Sc.

Govt proposes that this should take the form of a local allowance, it will be subject therefore to all the rules which govern such allowances. Mr. Zaphiro has been drawing a subsistence allowance of Ten shillings a day from Colonial Office funds during his temporary residence at Adis Ababa; this will cease on his definite transfer to the service of His Majesty's Legation.

2. Has Mr. Zaphiro any pension rights in respect to his service under the Government of the East Africa Protectorate and what are his present privileges in regard to leave of absence and passages? In the ordinary course he should on his permanent appointment as Interpreter to the Legation have the same privileges as Members of the Consular Service.

3. In regard to the proposed saving of Forty pounds a quarter on the postal service, it is to be observed that the expenditure during the last six quarters has been as follows:-

Total

Total expenditure	British Share.
£198.15. 1. June Quarter 1910.	£25.19. 6.
£127.10. 0. March Quarter *	£23. 2. 6.
£128.12. 7. December Quarter 1909	£18. 4. 9.
£131.10. 0. September Quarter 1909	£18. 5. 0.
£133.18. 5. June Quarter, 1909	£21.18. 4.
£139. 9. 8. March Quarter, 1909	£26. 8. 4.

In view of the above figures it is not clear how an economy of forty pounds a quarter could be effected in the share of His Majesty's Government in the present postal arrangements.

4. It must be understood that in order to make the suggested saving of Ninety Six pounds per annum in respect of the Subsistence Allowance paid by Her Britannic Majesty to the Interpreter in Abyssinia, the amount to which would have to be deducted from the maintenance allowance of Five Thousand Sixty Pounds paid to His Imperial Majesty.

5. And any application made home to the Government of the East African Protectorate to refund the sum of the emption (about One hundred and fifty five pounds) of the young Abyssinian interpreter who

has

(4470a/10)

has been transferred to the service of the Protectorate?

There appear to be difficulties in the way of the appointment of Mr. Zephire as Oriental Secretary to His Majesty's Legation, as the full rank would involve the issue of a Royal Commission unless he could obtain a Civil Service Certificate. It would be possible, however, to obtain the Treasury sanction for Mr. Zephire's appointment as Acting Oriental Secretary as in the case of Mr. Storrs at Cairo, if this rank is considered sufficient.

I further wish to point out that you say in your despatch that Mr. Zephire is willing to take permanent service with the Legation and would accept for the REALISATION a salary of Four hundred pounds with One hundred pounds allowance. Does this mean that Mr. Zephire would expect an increase of salary every successive year until he wishes to be free to put in a claim for a higher rate of salary at the conclusion of his first year's service. It is necessary for these points to be cleared up in order that I may be

422

in a position to submit to the Treasury a definite estimate of the total cost of Mr. Zaphiro's appointment.

As regards the general principle of Mr. Zaphiro's appointment, I concur in your opinion that it is essential for His Majesty's Minister at Addis Ababa to have the services of a trustworthy and efficient interpreter, and I am prepared to accept and endorse your recommendation of Mr. Zaphiro as the most suitable person to fill Mr. Seru's place if the Government of the East Africa Protectorate will agree to spare him.

I am, with great truth and regard,

Sir,

Your most obedient,

humble servant,

(for the Secretary)
