My Lord,

With reference to the despatches No. 216 of May 1905 last.

13827/5

I have the honour to request that I may be favoured with information as to the financial position of Messrs Jolly, Biggs & Co. of 74 1/2 Greenchurch Street, London.

This firm has a concession of fifteen thousand acres for the collection of East Africa, and has made application for a further lease of an area of the same extent. I have requested to consider. Some progress has been made.

Sub-Commissioner in Substantive in
connection with an ambitious scheme
for placing steamers and barges on
the [unclear] river and establishing
trading stations along [unclear] banks,
and it appears that they are endeavoring
to obtain from the [unclear] Government
a large concession in the [unclear] [unclear]
of the sources of the [unclear] [unclear]
river.
