(Subject.)

Mr. F. J. Hamilton

Recommends that he be taken on  
 Permanent Staff as Asst. Collector

(Minutes.)

Mr. Peab.

The establishment of Asst. Collectors  
 has been completed by the appt. of  
 Messrs. Mansueth & Scholfield. By  
 this I mean that Mr. Hamilton  
 loses his acting job when Mr.  
 Scholfield gets out.

If, however, Mr. Cortes is promoted  
 (see 19305) another vacancy will  
 arise. In 19305 Col. Sudler says he  
 is very short handed. This will be  
 relieved in a few weeks when Mansueth  
 & Scholfield get out, but the fact  
 is, to some extent, in favour of  
 choosing a man already there.

? When the decision on 19305 has  
 been taken, send this to Mr. Hamilton  
 & Mr. Secretary

Mr Read

There has been backward & forward  
since a long time with other papers. I  
have spoken to the French Secretary,  
and we entirely agree in the opinion that  
Mr Hamilton must wait - see with this  
minute in 3243. I have told Mr  
Hamilton that there is no immediate  
chance.

See now in 21464.

Mr Read

This is regarding a job with  
an answer. Mr Fiddian & I agreed earlier in  
the year that Mr Hamilton might wait half  
a year. Since that informal arrangement,  
however, to vacance, as Assistant (Mr?)  
has been followed, and I am satisfied  
to say that Mr Hamilton should have the  
next. We might tell the Council that Mr  
St. will be very favorably considered for the next
