~~W. Simpson~~ ^{Simpson}
The Treasury have approved of the app't of
Veterinary bacteriologist for 3 years at
salary of £500. After considerable
trouble, Mr. Stockman, the Chief Veterinary
Officer of the D. of Agriculture, has succeeded
finding a suitable man in Mr. H.
Simpson, F.R.C.V.S., whom you & I
have seen. Mr. Simpson is at present in
private practice & will probably require 6
months or 2 months to get rid of his
practice & make his arrangements for leaving
country. Mr. Stockman considers it very
wishes that he should go & the first
step to the Treasury for the purpose
looking for 6 months under Dr. Thiler ^{at first}
of the leading men in tropical veterinary
and work, & although all this means
valuable delay before he can reach the
D. I think that it is far better to
the best & get a really competent man
to heavy matters & find in the long run.
write to Mr. Simpson offering him the app't.
telling him that he will ~~be~~ be required
to go to the Treasury to ~~work~~ for 6 months
under Dr. Thiler if the necessary arrangements
be made - & tel: to the Treasury
if whether he can be given facilities
looking under Dr. Thiler for 6 months
& write to the Com: of the S.A.P.
leaving what is being done?
