My Lord

I have the honour to acknowledge the receipt yesterday (March 7) of your lordship's letter dated 6 February and numbered 37422/05-06, dealing with my grant of land in this Protectorate.

Owing to the fact that the Homeward mail must be posted here to-day and that the few hours at my disposal do not permit me to deal adequately with your lordship's long communication, it is unfortunately necessary for me to send my reply by a later mail.

I have recently addressed a request to your lordship through H.M. Commissioners that I may be permitted the opportunity of having the facts of my case before your lordship at a personal interview. In view of the nature of the communication I shall shortly address to your lordship

352-15

in reply to the letter of February 6th and in view
 also of the serious character and long standing
 of my complaint, I trust that your Lordship will
 find it consistent with the many important
 claims upon your Lordship's time to favour me
 with this opportunity of a hearing for my claim
 in a just and honourable treatment.

I have, ~~the Honour~~
 My Lord,

Yours faithfully
 Robert Chamberlain
