

with obtain from the
 consulting engineers
 estimates of the cost
 of a vessel to carry
 from 450 to 500 tons
 of cargo on a draught
 of 4 feet. Further details
 of what is required may
 be obtained from Mr.
 Currie the General Manager,
 who is now on leave in
 this country, & whose
 address is East India
 Street, Service Club St.
 I am to return the
 drawings which accom-
 panied your letter
 under refer.

(Drawings not by Currie
 in 18802)

REC'D
MAY 9 1906

Mr. Read

Mr. Currier has suggested
that it would be a good thing
to obtain if possible a copy of all
books to be given since 1860
for each of the 6 Railway Institutes
to be paid for from Railway
funds. We agree that it would
be best that he should do the purchasing
& that \$25 should be the limit

He suggested the "Times"
sale, but Mr. Proffers as
has been there says there are
few such books available.
