No. 17.

Director of Survey No. 022544.07

Nairobi.

10th April, 1907.

Sir,

I have the honour to forward the Annual Report for my Department.

The Standing Orders direct the Financial, and not the Calendar, year to be used. I recommend that in future the Calendar Year should be adopted, so that the Report of the Department in future years may be reaching the Colonial Office at about the same time as the estimates for the following year.

In view of the fact that I have recently reported very fully on many points, in answer to Colonial Office of G.O. of 3rd October, 1906, it seems suitable to keep the present report very short; i.e. in fact, little more than a report on the work actually done.

I have tried to avoid repeating what I have already said.

I have the honour to be,

Sir,

Your most obedient, humble servant,

Major, R.E.,  
Director of Surveys.

Major, R.E., Commissioner for Lands.
