Retirement of C. W.

unable to agree with me & will probably leave
early this afternoon. I am very much concerned
about his replacement. He is not fit
for it & I am afraid he will not be able to
find another.

(Minutes)

Mr. ... was retained as employment
with many new pitfalls to the
business - as no replacement
was found. He left on 1st of
July 1907. His place is now held
by Mr. ... who is equally unsatisfactory
and difficult to replace.

However, I wrote to Mr. T. G. to advise
of this situation & my letter
is in his office. He has promised
to interview Mr. ... and get him
a good job. I have also
written to Mr. ... and
will apply to him.

I do not think that it is necessary to
enter into the details. But what I
do wish you to state is for favorable

My dear friend I shall like to know
whether Mr. Harvey's suggestion
the draft to Texas my answer
means that we are or are not
to prefer a strong fusion over
to them. I understand
that Mr. Antelope told that
we need not do so.

the following is suggested to

the consideration of a committee
having to do with the putting up of the

No. 250 -

My Lord,

With reference to Your Lordship's despatch

*for
ref*

Confidential (1) of the 7th of March respecting the
retirement of Mr. T. Wise I have the honor to report
that owing to the administrative staff being still rather
strength I have not yet found it possible to dispense
with that officer's services and I shall probably have
to continue to employ him after the 1st instant, on
which date he will have completed 18 years pensionable
service, inclusive of the addition for service in
unhealthy climates.

2. I presume that in the circumstances the
Commissioners of His Majesty's Treasury will award
the additional £ 4,16.8 per annum to which Mr. Wise will

position will in that case amount to £ 1000 per annum and
not £ 500 as originally contemplated.

I have the honor to be,
