Proposes appointment of W. G. Monson as Sec<sup>y</sup> in place of E. G. Bell as asst Secretary. Mr. H. H. Merrill as Second asst Sec<sup>y</sup>. Clerk to Councils Mr. A. S. as to Mr. Henry Staley. Interchangeability of Secretariat & Administrative Staff

(Head - Staff List)

(Minutes)

Mr. Read

The real head of the Secretariat who would be styled Chief Sec<sup>y</sup> of the C. A. P. were Henry J. Jackson now styled Senior Counsel. The question of his title is now under consideration. If he were styled Chief Secretary to Government would was really desirable Jackson - in that case Mr. Monson through succeeding to Mr. Hall's salary & duties

It has now been decided to call Mr. Jackson on head of Council

would continue to be a hybrid  
 1st Assistant Secretary  
 Apart from this question there  
 seems no reason for taking  
 exception to the proposal provided  
 a. The work of the Assistant is  
 well done & though the staff is  
 adequate I don't think having  
 regard to the exigencies of  
 time that it can well be re-  
 -duced.

As far as the provisions of the  
 the proposal to make the  
 the office of 2nd & 3rd Assistant  
 Secretary interchangeable  
 with the other administrative staff

the Secretariat since 1901,

whole service in the branch of  
the Administration in which

and very hard working  
by the Post of Second Assistant

3. Mr.

 it necessary to have somewhat  
 older officers with distinct  
 experience as the Second Assistant

 the appointments of Second and

 chargeable with the Administrative
