"Such a Little Pirate".

Commenting on the tragedy at Kilindini reported in our column of the 2nd inst., we are glad to hear that the ambulance driver who was killed was a very good driver and that the ambulance was a very good one.

For a long time there has been a feeling of uneasiness in the minds of the people of the Territory, and it is now being expressed in a very definite manner.

The Editor does not accept responsibility for the views expressed in the correspondence, but he will accept the same for the material published in the correspondence.

In the case of Mr. C. G. Cow, the big game hunter on the banks of the Kilindini river, the natives were called in to help in the clearing of a small game track.

The rehearsal of the "Queen of Sheba" at the Theatre Royal, which was held on the 6th inst., was a very successful one.

At the end of the session of the Mandates Commission, the members of the Commission were informed of the results of the Commission's work.

It is interesting to note that the hippo outrigger, which was built by the natives, was a very good one.

It is interesting to note that the crocodile, which was killed by the natives, was a very good one.

On the 7th inst., the ambulance driver who was killed on the 2nd inst., was buried in the presence of a large number of people.

The results of the Commission's work are being discussed in the Territory, and it is hoped that they will be of great benefit to the people.

The hippo outrigger, which was built by the natives, was a very good one, and it is hoped that it will be of great benefit to the people.

The crocodile, which was killed by the natives, was a very good one, and it is hoped that it will be of great benefit to the people.

Acclaimed Everywhere As A Really Remarkable Car

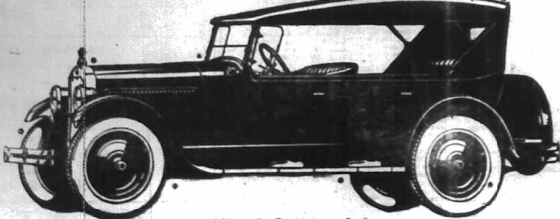

The Oldsmobile-Six will romp along the road at 60 miles an hour. It will glide along in traffic in high gear at a snail's pace.

It will leap ahead with an acceleration which is nothing short of marvelous. It can be brought smoothly, silently and instantly to rest at a slight pressure of the brake pedal.

The Oldsmobile-Six will run smoothly and comfortably over rough, rocky roads, its long springs absorbing all road shocks. On hills and steep grades this car has no equal.

From every point of view and in any single point of performance the Oldsmobile stands unrivalled in its price class.

It is truly an extraordinary car.
