## SAVE YOUR BIG CAR!

£198 Delivered Nairobi.

THE big car represents a large investment that is subject to heavy depreciation. To use it for knock-about purposes is costly and wasteful.

To let the FORD car take the wear and tear of daily use is true economy. Low first cost, low depreciation and low operating and maintenance costs in the FORD car add peace of mind to the physical comfort of the owner.

£198 Delivered Nairobi.

# TOYS!!!

## JACOBS

LIMITED

P. O. Box 266.

NAIROBI.

WE are now showing a very extensive range of toys for Christmas. They are the best selection, value and quality we have ever been able to offer. Each class of toy has been purchased from the best makers and we are justly proud of the vast array of attractive toys we are able to place before you.

YOU will realize the advantages of making an early selection. We are willing to pack and store toys purchased now for dispatch on any given date. By making use of this service you will avoid disappointment and the discomforts of the rush of the last few days.

## THE CHRYSLER FOUR

### New Model Arrives in Nairobi.

#### A GENERAL DESCRIPTION

As soon as you see the new model in Nairobi, you will be sure of your mind. Although very little of our country has been reached by the new model of the 1934 Maxwell, it is a machine that has been designed to meet the needs of the African continent. It is a machine that is built to last, and it is a machine that is built to be reliable. It is a machine that is built to be economical, and it is a machine that is built to be efficient. It is a machine that is built to be a true companion for the African motorist.

#### ENGINE IMPROVEMENTS

Thus, the motor of the new model is built to give you the best of both worlds. It is a machine that is built to be reliable, and it is a machine that is built to be economical. It is a machine that is built to be efficient, and it is a machine that is built to be a true companion for the African motorist. It is a machine that is built to be a true companion for the African motorist.

#### NEW IMPROVEMENTS

Although retaining a 4-cylinder engine, the new model has a number of improvements which make it a more powerful and more efficient machine. It is a machine that is built to be reliable, and it is a machine that is built to be economical. It is a machine that is built to be efficient, and it is a machine that is built to be a true companion for the African motorist.

#### OTHER FEATURES

CYCLIST FINED 5s.

"Gross Negligence."

ENTERING MAIN ROAD

G. E. Elgate was charged by the Magistrate on Thursday with driving a motor cycle on the side of the main road... The accused pleaded that he would have better been seen near the road. It was a common fallacy that assuming a horse is a horse...

THE MODEL "P" TRIUMPH

Modifications to Frame and Cylinder.

THE FRONT BEARING

The group has been the subject of several reports in the Motor Cycle. It is a Triumph that even the most experienced of motor cyclists will find a certain degree of interest in. The group has been the subject of several reports in the Motor Cycle. It is a Triumph that even the most experienced of motor cyclists will find a certain degree of interest in.

INTERNAL REPAIRING

The existing external head bolts have been apt to operate more or less loose and slipped practically dead. Had he not done so, the engine would have followed. The engine ran on a vacant piece of land for some forty hours. It would have been pulled up and they had a few weeks of work. The latter had assumed that the engine was on a main road and that the pressure coming from a side street was on each road.

VERBITING THE SPOT

The Magistrate said the spot blind turning at 20 miles per hour and whether twenty miles per hour and whether twenty miles per hour and whether twenty miles per hour and whether twenty miles per hour and whether twenty miles per hour.

Acknowledgment!

It is universally acknowledged that St. Gobert, Gassman and Company are the makers of the NEW PERFECTION OIL COOK STOVE.

Distributing Agents in Kenya, Uganda, Tanganyika, and Zanzibar. THE AFRICAN MERCANTILE COMPANY, LTD. VACUUM OIL CO. OF SOUTH AFRICA, LTD.

FRAME CHANGES

Several modifications have been made to the frame. The front fork has been strengthened and the rear fork has been modified to give a more comfortable ride.

MINOR DETAILS

Both these points are rightly attached to the rear spring. The front fork has been strengthened and the rear fork has been modified to give a more comfortable ride.

IMPROVEMENTS AT ONCE

A thorough improvement has been made to the engine. The front fork has been strengthened and the rear fork has been modified to give a more comfortable ride.

INTERNAL REPAIRING

The existing external head bolts have been apt to operate more or less loose and slipped practically dead. Had he not done so, the engine would have followed.

VERBITING THE SPOT

The Magistrate said the spot blind turning at 20 miles per hour and whether twenty miles per hour and whether twenty miles per hour and whether twenty miles per hour.

Buick Performance steps further ahead in World Leadership!

WOMEN who drive cars will appreciate the new Buick models for several reasons—First of all the new Buicks are nearly effortless in handling, the steering is finger-light. The greatest pressure on the brake pedal brings the car instantly to a stop without a trace of skidding. The lightest pressure of the foot operates the clutch. All dangers of night driving are eliminated by Buick's new dipping head lights. There is no dimming. A switch located in the centre of the steering wheel controls the beams of light. The amazing reserve capacity of the super-powered Buick valve-in-head engine practically eliminates gear changing except in starting. Never before has a car appealed so strongly to those who take a pride in smartness and sheer beauty of line. There is an unmistakable air of exclusiveness about the new Buicks which sets them apart from all other cars. But the outward appearance and beauty of the new Buicks is only a suggestion of the remarkable refinements found within. Experienced Motorists and Engineers will instantly recognize Buick's supreme leadership in engine and chassis design. They will delight in the beautiful finish and clean design of the engine. They will appreciate at once the tremendous advantages and economy of Buick's Oil Filter, Air Cleaner, Petrol Filter, Starting System, Four-wheel Brakes and Valve Mechanism. They will find a new joy and thrill in road performance. You never saw a hill climbed the way this Buick will take it. You never saw such get-away. And speed! A Buick owner can say "they shall not pass" to any one in the world.

The New CHRYSLER FOUR

Walter P. Chrysler's Latest Achievement Now Ready \$355!

Touring Car with Hydraulic 4 Wheel Brakes.

Walter P. Chrysler's conception of what a four cylinder car should be has now become a reality. Mr. Chrysler announces the new Chrysler Four, companion car to the Chrysler Six. It is here—ready for your inspection.

Whether you are a car owner or not, come and see this new Chrysler creation. Ride in it. Get to know the latest Chrysler achievement, which the master car builder identifies with his own name. It will amaze you, for it is our firm conviction that the new Chrysler Four represents a better and finer combination of power, speed, fuel mileage and charm of appearance than any other Four in the world to-day. The wonderful riding qualities of the new Chrysler Four cannot be described. You must experience them to know what an advance has been made in the Four Cylinder field. It is enough to say that a ride will amaze and delight you. And when you ride you will notice the absolute quiet of the four cylinder engine. You'll find no rattle or tremble in the body of the car. Here is a car you can drive all day without fatigue. It is hardly ever necessary to change gear. When changing is necessary it is done easily and noiselessly by the matched transmission gears and clutch action. There has never been the like of the new Chrysler Four at any price where near its price. Come and see it and be prepared for a revelation.

### PORT COMMISSION

#### First Enquiry Session

The Port Commission of East Africa held its first enquiry session on October 12th at 10.30 a.m. at the office of the Port Commissioner, which was presided over by Mr. James Macdonald, the Secretary. The enquiry proceedings in the following order:—

#### Enquiry into the Port Commission of East Africa

The Commission of Enquiry into the Port Commission of East Africa held its first enquiry session on October 12th at 10.30 a.m. at the office of the Port Commissioner, which was presided over by Mr. James Macdonald, the Secretary. The enquiry proceedings in the following order:—

...of the evidence to be reported on the 15th October. A notice to this effect was issued to the public. It was decided that the public should be kept in the knowledge of the progress of the enquiry by means of the following reports:—

#### REPORTS

The first report was made by Mr. J. H. Macdonald, the Secretary, who stated that the Commission of Enquiry into the Port Commission of East Africa held its first enquiry session on October 12th at 10.30 a.m. at the office of the Port Commissioner, which was presided over by Mr. James Macdonald, the Secretary. The enquiry proceedings in the following order:—

#### REPORTS

The first report was made by Mr. J. H. Macdonald, the Secretary, who stated that the Commission of Enquiry into the Port Commission of East Africa held its first enquiry session on October 12th at 10.30 a.m. at the office of the Port Commissioner, which was presided over by Mr. James Macdonald, the Secretary. The enquiry proceedings in the following order:—

Are You in doubt?

Many men and women with kidney complaint, do not know that their kidneys are diseased. This is serious, because the trouble is apt to be neglected until it reaches its dangerous stage.

#### Are You in doubt?

Do you get a dull, heavy pain in the back after sleep? Do you get a dull, heavy pain in the back after sleep? Do you get a dull, heavy pain in the back after sleep?

#### Are You in doubt?

Do you get a dull, heavy pain in the back after sleep? Do you get a dull, heavy pain in the back after sleep? Do you get a dull, heavy pain in the back after sleep?

**Cooper's Milk Oil Fluid**  
 On The Farm.

It is a number of years Cooper's Milk Oil Fluid has proved itself a boon to the stockman. As a destroyer of parasites infesting the skins of animals it is unequalled. Further, by its invigorating and cleansing action on the skin, it produces a fine, dry coat, giving the animal a sleek, healthy appearance.  
 It is a splendid disinfectant. As a prevention against blood-poisoning and as a dressing for cuts, wounds, etc., has no equal.  
 For the above reasons the farmer cannot afford to overlook the advantage of an article of such general utility as Cooper's Milk Oil Fluid.  
 A drum of it should always be at hand, not only for use in case of emergency, but for the daily routine of cleansing and sweetening the places where animals are kept.  
 It is non-corrosive, does not stain, and being made of the purest materials and free from useless ingredients, it may be employed with confidence that, if used according to directions, it will serve every purpose of which a Clean Milk, Liquid Sheep Dip and General Disinfectant and Deodoriser.
