AFRICAN EDUCATION.

The First High School in Kenya.

OPENING CEREMONY AT NAIROBI OF THE FACULTY.

The Aims and Objects Explained by Dr. Aitchison.

The first of our new Kenya High Schools, on the Government Road, Nairobi, is about to be opened for the first time in the year, for which it is destined to play a great part in the education of the African native. The school building is now visible on the approach from the station, and has a drawing room from 12000 sq. ft. of floor space, a library, a gymnasium, a hall, and a canteen. The school is to be a model of modern architecture, and will be a credit to the Government.

TROUT FISHING IN SOUTH AFRICA

In the past few years Trout culture has made considerable headway in South Africa. Many mountain streams, already affording, offer sport of the highest class to fishermen of the "gentle art."

The open season extends from October to April. Railway travel in South Africa is inexpensive and facilities are of high standard. Accommodation is good.

THE GREAT PYRAMID The Most Wonderful in the World.

**Historical and Practical
Geometrical Exposition of the
Revolution.**

No. 2.
(Applied to "The Pyramid").
By Mr. H. B. Brown, Teacher of the
Great Pyramid of Egypt, dealt with the history of this monumental
structure and its construction. As a result of the study of the
ancient literature the purpose of the Pyramid has been brought to
light and Mr. Brown's theory deals with its construction and its
purpose. The book is a masterpiece of research and is a
must for all who are interested in the subject.

The history of the modern pyramid
theory dates back to about
1807, when Professor Goussier
and a group of French engineers
discovered the pyramid of
Heliopolis. The discovery of the
pyramid of Heliopolis was the
beginning of the modern pyramid
theory. The discovery of the

THE RAILWAY ISSUE

General Manager's Comprehensive Review of Present and Future Problems.

1926 A "LESS SATISFACTORY" YEAR.

Rate Reduction Hopes Restricted by the Burden of the Port.

PROGRESS OF THE NEW BRANCH LINES.

Railway Estimates for 1927 passed through the Kenya Estates on Friday, prefaced by a long message by the General Manager. They will now be placed before the Uganda Legislative Council. A review of 1926 was not as satisfactory as has been the case in the past. The expenditure has been largely increased and the revenue has declined. The General Manager is anxious to the main trade to make adequate shipping arrangements.

The following additional resolutions will be put forward by the Executive Committee of the Government of Kenya with effect from the 1st of January, 1927:

IMPROVEMENTS CHANGED.
 That the Government of Kenya should be empowered to make such alterations in the existing laws relating to the railway as may be necessary to give effect to the above resolutions.

LABOUR AND NATIVE AFFAIRS.
 That the Government of Kenya should be empowered to make such alterations in the existing laws relating to the labour and native affairs as may be necessary to give effect to the above resolutions.
