Pure Milk for Babies

In the feeding of children a supply of pure milk is of the utmost importance. A young infant is usually fed by some inferior milk. The "Allenburys" Milk Foods are made from perfectly fresh full-cream milk, so modified as to remove the difference between cow's milk and human milk. The method of manufacture absolutely guarantees all risk of contamination with various germs. A thoroughly effective substitute for the natural food of the child is obtained, and vigorous growth and health are promoted. No diseases or digestive troubles need be feared when the "Allenburys" Milk Foods are given. The detailed conditions are made in a minute by the addition of hot water only.

MILK FOOD No. 1. MILK FOOD No. 2. MALTED FOOD No. 3.
From birth to 3 months. From 3 to 6 months. From 6 months onwards.

An Ultimatum. 48 HOURS' NOTICE. (From a Special to "E. A. Standard.")

Persia. RUSSIA AND BRITAIN. Sir Edward Grey deflected the Anglo-Persian agreement which came into existence because the situation of Persia was both a satisfactory and unstable. Its object is chiefly to prevent Great Britain and Russia meeting and counteracting against each other diplomatically. Russia had to give up good intentions and unyieldingness, but did not take into account the peculiar political considerations underlying the agreement and its appointed British ally...

Before the adjourning of the Congress Lord Bryce said whether three new laws have been introduced in the House and the reason was the recent change in the Navy Board, represented in the history of the Admiralty.

Mr. Churchill replied that Admiral Vernon had been desirous to resign on Saturday evening last. He had been in the House since the 11th of January, and during that time he had been engaged in a long and arduous task. He had been in the House since the 11th of January, and during that time he had been engaged in a long and arduous task.

Canada. (Ottawa, November 30.) Sir Wilfrid Laurier's amendment which he placed before the House on the 21st of November has had the effect of drawing down to the conflict of opinions in the "Debate" on the Navy question which was the subject of the Government's Budget and the House and that it was contrary to the principles of self-government and should not be approved by the House was defeated by 121 votes to 75.
