FILM CENSORSHIP IN KENYA.

Unanimous Report Prepared by Select Committee.

THE IMPERIAL ASPECT.

Importance of Task Delegated to the Colonial Films Committee.

The censorship of films figured as a much discussed question in Karnya Colony for a considerable period less year following the publication by Government's proposals were not regarded in a favourable light and one of the effects of continued opposition in the columns of the "East African Standard" at the access consideration of the Colon Standard and the continued opposition in the columns of the "East African Standard" at the acquise session, theid at Mombasa, of a much start the August esseoin, theid at Mombasa, of a much select Committee.

In view of the appointment by the Imperial Government of a Select Committee whose task will be theretigable to investigate the critical garangements in the selection of the sel

In this connection the recommendations of the Kenya Select Committee appointed last August will no doubt be of considerable value to the Imperial Committee. The Report, it is understood, is now ready for consideration by Government.
