They do not seem anxious to furnish their views to the public; they are supposed to represent. We are somewhat surprised that the leading Association in this Colony are not fully cognizant of their duty. It is not surprising that the former has been approached by the new Legislative Council. They have certainly left the public to suppose that they are not in the public eye only in expression to their duties.

It is not surprising that the former has been approached by the new Legislative Council. They have certainly left the public to suppose that they are not in the public eye only in expression to their duties.

A Matinee will be given at the Gaiety Theatre this afternoon, commencing at 4.30. As a most excellent selection of pictures has been made up for the children are being especially catered for. It is to be hoped that there will be a good number of parents and their little ones present. As the Gaiety Theatre manager, has decided to run his matinee quite a departure from the wishes of numerous patrons.
