Transport Progress in B.E.A. and Uganda.

INTERESTING DEVELOPMENTS.

Some very interesting developments are being made in the public highways, and an arrangement for systematic co-operation on the part of the railway and the Government. The Uganda Railway is making a survey of the routes between the lake and the sea, and a complete programme has been drawn up. It begins on the Uganda Railway, and extends right through to the Congo by the Albert Nile. The Uganda Railway will also enter into the scheme, and a complete programme has been drawn up.
