THE GREAT OFFENSIVE.

Months of Watching.

The frontiers of the three Germanic peoples has been watching the enemy... Months of watching... the great offensive...

A hill, while ago a detachment of men took a whole night to march five miles from one trench to another, and quite half the trench arrived without their boots, which had stuck in the mud and been torn from their feet...

Mad is an awful enemy. A man goes a short way to fetch something, and it takes him the whole day to go there and find it...

Notwithstanding the hardships suffered by the French troops during the past three months, they are not discouraged...

It is a fact, indeed, most superhumanly to have done up to this point, but this is the men covered with a thick layer of the mud of Arras or Champagne...

Dealing France interest you? LAMBERT, LAM, MAKE them and GUARANTEE them.

THE PROGRAMME OF THE SEASON. SATURDAY.

Also MONDAY and TUESDAY, April 1st, 3rd and 4th, 1916. Charlie Chaplin. THE STAR of the Cinema World, and the man who creates roles of laughter, whose others fail to draw a smile, will be shown in one of his greatest hits.

Travels in Athens. A most beautiful scenic picture of great interest, showing in detail the most wonderful of the world.

Latest War Pictures. Of suffering Britain, showing the awful devastation by the enemy, and the heroic production of the warlike people. A picture well worth seeing and which enables everyone to realize what WAS really means.

False and True. A very fine VITAPHONE drama, featuring such well known actors as Dorothy Dainty, George Harems, James Morrison and George Cooper, in a beautiful stage, and perfectly acted.

Sacrificial Fires. HEROICISM is the only word which describes this marvellous film. The scenes are full of drama and truly depict the heroism in that wonderful century. The story is based on a love affair between a young American and a Japanese girl. This picture is produced by the Famous Players.

A Mix Up in Raincoats. The inimitable mirth provoker in the Great London Bioscope. This is a real scene, in which the words of the patients in hospital talk. Rightly imitating the lazzaro style and manner in British and the comical situations in the play.

A GERMAN VICTORY.

Truth About France.

MANUFACTURED SUCCESS

The story of the German capture of the town of Verdun... The French line was in front of Triauc, with the German line immediately before it; and these both series of trenches were terminated by the waterways and marsh beyond the waterways—the German line extending to the village of Verdun. It occupies a V-shape, the marsh being between the segment on the left and the one on the right, making the Somme between. Neither side could march north, but both could march south, the single stretch of the German line being the only one which could be so used.

GERMANY'S FEAR.

Striking a Vital Blow.

As it is written in the 'Daily News'

It was an all-abled that the war is a desperate phase of the struggle, and we are not at all sure that we can win it. We do not know what will come of our whole side, but we are not at all sure that we can win it. It is not at all sure that we can win it. It is not at all sure that we can win it.

TOMMY'S HUMOUR.

A Powerful Quality.

A FEW TALKS.

It is an unfolding sense of humor that has made Tommy the hero of the hour. It is an unfolding sense of humor that has made Tommy the hero of the hour. It is an unfolding sense of humor that has made Tommy the hero of the hour.

VICTIMS OF THE WAR.

Civil Service Opening.

One of the first evidence that the Government intends to provide for the Civil Service men who have served in the war comes from India. Other troops in the Indian contingent of the 'U.S.A. Weekly Standard' it is reported that two or three high-class officers have been appointed to give a preference to candidates who have served in the war and are not physically fit to continue in the army or navy. It is reported that the Government has decided to accept all the men who have served in the war and are not physically fit to continue in the army or navy.

FRANCE'S INDUSTRIAL RE-BIRTH

Disaster Turned to Triumph

UP THE TIGRIS. In Mesopotamia.

Nairobi's Premier Theatre. Proprietor T. W. RADLEY

Owing to its great success, this

Grand Comedy Programme

will be repeated TO-NIGHT, FRIDAY. Those who have been unable to get in are well advised to make a special effort to do so THIS EVENING.

1 Lover's Luck

Farical-Comedy. A most laughable sketch about faithful death put by the famous VITAGRAPH.

2 Detective and Matchmaker

Water-Comedy. A very amusing and cleverly constructed play in which a beautiful bride has the principal parts and shows off to advantage the wonderful intelligence of these two actors.

3 Father was Neutral

Farical-Comedy. An exceptionally funny film introducing Charlie Chaplin's Double Billie, which really provides an interval of laughter.

4 The Coster's Holiday

Comic-Play. A very amusing and cleverly constructed play in which a coster goes on a holiday and has a most interesting and amusing experience.

5 Road Mills

Will appear in pairs and provide a series of sketches selected from his extensive repertoire.

6 Adventures of Florence

IN 2 PARTS Comedy. A most beautiful production by the famous TH. N. HAUBER Co. featuring that dainty little actress Miss Florence Lauder, who takes her part through out in a very pretty fashion. The story leads up from the overhauling of a smart passed from one girl friend to another a year ago, all Oak Hill.

7 Charlie's Elopement

IN 2 PARTS Farical-Comedy. The merriest scene in the film world is said to be a scene of elopement in a big house. How he deals with the rival for the lady's hand is the funniest thing in the film. The scene is so funny that it will create more mirth in a five minutes than any usually good scene in a picture.

8 OOD SAVE THE KING

BRIAN ROLING has secured an unrivalled reputation as a brilliant screen and stage entertainer, and his re-entrance into the THEATRE should be most appreciated by our Patrons.
