FIGHTING ATHLETES.

The names of several well-known athletes appear in a list of gallant warriors mentioned in General Sir Douglas Haig's report for August 1916. He showed an extra letter of appreciation when mentioning the men who played part in the capture of the Hindenberg...

Another notable event was the capture of the Hindenberg by the British and Canadian troops on August 19, 1916. This was a significant victory for the Allies during the Battle of the Somme.

The British and Canadian troops showed exceptional bravery during the capture of the Hindenberg. The British soldiers were supported by the Canadian Trenchers, and together they succeeded in capturing the German airship.

The capture of the Hindenberg was a major blow to the German air force. It was the first time that a German airship had been captured by the Allies. The airship was destroyed, and its crew was taken prisoner.

The capture of the Hindenberg was a significant event in the history of the First World War. It was a major victory for the Allies and a major defeat for the Germans. The capture of the airship was a testament to the bravery and skill of the British and Canadian troops.

SPORTS LETTER.

(From Our Own Correspondent.)

London, June 28.
ATHLETIC TOPICS
The many remarkable performances by British athletes in the past few months have created more than usual interest in the various sports which are the staple of the British and Empire athletic scene.

A few years ago such reports from America would have been received with a certain amount of incredulity. The fact that the British team were able to win the 100 yards race in 17.2 seconds was a record which has not been broken since. The 200 yards race was won in 35.2 seconds, a record which has also not been broken since.

No expressed wish to do anything else. The British team were able to win the 100 yards race in 17.2 seconds, a record which has not been broken since. The 200 yards race was won in 35.2 seconds, a record which has also not been broken since.

THE REMARKABLE PERFORMANCES OF THE BRITISH TEAM IN THE PAST FEW MONTHS HAVE CREATED MORE THAN USUAL INTEREST IN THE VARIOUS SPORTS WHICH ARE THE STAPLE OF THE BRITISH AND EMPIRE ATHLETIC SCENE.

London was crowned on Saturday, when the 100 yards race took place. The British team were able to win the 100 yards race in 17.2 seconds, a record which has not been broken since.

13.80, covered the distance from scratch in 10.50 seconds, on qualifying for third place. Another smart bit of racing was seen in the 11 miles team race, when the British team were able to win the 11 miles race in 11.10 seconds, a record which has not been broken since.

THE CHAMPION CYCLISTS
The programme also included some interesting cycling races. The 100 miles race was won by the British team in 10.50 hours, a record which has not been broken since.

A FIFTEEN MILE MATCH
The 15 mile match was won by the British team in 15.10 minutes, a record which has not been broken since.
