## STANDARD NOTES

The marriage took place at Mombasa on Thursday, September 26, of Mollie Mortimer to Silvio Tanfani.

During the past few days we have received several interesting letters from correspondents, but we are unable to publish them because of the fact that the censorship regulations have not yet been relaxed so as to allow the use of names of persons.

A note that should prove most popular starts at 8:30 to-day when Messrs. Wilsbury, Lidwell and Co. sell ready made dresses, hats, coats and skirts. The sale will last for two days only and those who gain their share of the goods will find their share to be above in times.

It has been explained, with reference to the question by Mr. Vincent in the Chamber of Commerce, whether internal German goods from India had been landed at Mombasa for German East, that only one consignment had been allowed to return, and this was for the purpose of visiting a sick wife. We are authoritatively informed that any suggestion of German goods on parole is untrue.

Committee to Carry on Temporarily AN OFFICIAL VOICE

The Government had probed a very early reply, and had gone further to call for the Secretary of State. What more could be expected of it? On the other hand the Committee was faced by a large amount of work rejected during the strike and that work would be considerably hampered by their delay. He did not think it prudent to propose that they should refer the matter to the Committee. He had been told by the Government. He therefore proposed that the Committee carry on its work temporarily.

Mr. Henderson: What are we to do? Mr. O'Rourke: I am sorry to hear that the Committee carry on its work. He said that the Government had asked for the Secretary of State. ## Ladies' SILK Hosiery.

There is something about  
pure silk that makes a  
special appeal to the femi-  
nine mind, and silk hosi-  
ery has become a neces-  
sary part of a modern  
woman's dress. Japan produces some  
of the very best and our latest consignment  
from the Far East includes a wide range of colour-  
ings and sizes at a very moderate price. These  
stockings are pure silk and about one third the  
price of English or French silk.  
Colours—Black, White, Tan, Violet, Cham-  
pagne Grey and Violet. PRICERS. 4-95 pair.

## 'Sweet Lavender Underwear

For Ladies and Children.

'SWEET LAVENDER'—The name conjures up memories  
of all that is sweet and fragrant in Old England. The blue of an  
English flower reflected in the fragrant blooms of this typically  
English flower. Its perfume brings back memories of our careful  
grandmothers busy in their linen cup-boards where the lavender  
and rosemary kept guard against the inroads of "moths of silver  
grey."

'SWEET LAVENDER UNDERWEAR' is just an  
essentially English in its quiet simplicity and exquisite quality,  
and has an appeal to the true Englishwoman far stronger than  
the more flimsy and elaborate French creations of its day.

SWEET LAVENDER UNDERWEAR is made from the  
very finest cotton, in quality and texture almost equalling fine  
linen cambric. The trimmings are never ornate or vulgar—laces  
and embroideries of the best with the indescribable touch of good  
taste that marks the best of English workmanship.

FOR LADIES: Nightdresses, Chemises, Combinations,  
Knickers, Petticoats, etc.

FOR CHILDREN: Night dresses, Chemises, Drawers and  
Petticoats.

**The Cornerstone OF Successful Investment**

It is to buy on a dull market showing indications of improvement. That is the principle on which every successful investor has made good. Only the man who thinks land investment a gamble waits to try when things are booming. He starts buying when the man who has studied the principles of successful investment knows that it is time to act.

Whether buying land as a look-up investment or for development purposes after the war, the present is the time to buy—not after the war, when our anxieties have ceased and new settlers are pouring into the country. Optimism will then be rampant, and the seller will want his price.

You can pick the country from our registers, from settlers, from the Bolet to Transvaal—coconuts, sisal, maize, coffee, flat, general agriculture and stock proportions; business and residential plots.

**YOUTHFUL SIGHT AT 40.**

It is at the age of forty when people are said to be "too old" that the faculty of sight first shows signs of failing. This is due to a perfectly natural process whereby the lens and muscles of the eye become hardened and sometimes great discomfort is experienced to accommodate the vision for near work. To preserve the sight the best safeguard lies in the use of proper corrective glasses as early as possible.

We examine the eyes by the most approved methods and supply glasses for balance or near work.

## 'Sweet Lavender Underwear

For Ladies and Children.

'SWEET LAVENDER'—The name conjures up memories of all that is sweet and fragrant in Old England. The blue of an English sky reflected in the fragrant blooms of this typically English flower. Its perfume brings back memories of our careful grandmothers busy in their linen cup-boards where the lavender and rosemary kept guard against the incursions of "moths of silver grey."

'SWEET LAVENDER' UNDERWEAR is just as essentially English in its quiet simplicity and exquisite quality, and has an appeal to the true Englishwoman far stronger than the more flimsy and elaborate French creations of to-day.

'SWEET LAVENDER' UNDERWEAR is made from the very finest cotton, in quality and texture almost equalling fine linen cambric. The trimmings are never ornate or vulgar—laces and embroideries of the best with the indescribable touch of good taste that marks the best of English workmanship.

FOR LADIES—Nightdresses, Chemises, Combinations, Knickers, Petticoats, etc.

FOR CHILDREN—Night dresses, Chemises, Drawers and Petticoats.

## Ladies' SILK Hosiery

There is something about pure silk that makes a special appeal to the feminine mind, and silk hosiery has become a necessary part of a modern woman's dress. Japan produces some of the very best and our latest consignment from the Far East includes a wide range of colourings and sizes at a very moderate price. These stockings are pure silk and about one third the price of English or French silk. Colours—Black, White, Tan, Violet, Champagne Grey and Violet. PRICERS. 4-95 pair.
