MAIROBI'S VOICE Great Meeting at Theatre Royal. Important Speeches by Representative Settlers. Church, Medicine, Commerce and Agriculture Speak.

Yesterday morning at 11.15 a mass meeting convened under the auspices of the Union of African Settlers and the Nairobi Political Association was held in the Theatre Royal. Despite the early start and the inclement weather the audience was not an unenthusiastic one and included a large number of all classes of the community.

Mr. G. C. Anderson, President of the Convention of Amateurs, presided over the meeting. He opened the proceedings and in his address pointed out the importance of the meeting as a first step in the direction of a more united and progressive community.

Lord Delamere said: "The meeting called by the Convention of Amateurs is an auspicious one for the Colony as a whole. It is the first time since the war that a representative gathering of the Colony has met to discuss its future."

MORE REFLECTIONS ON THE ELECTION.

It is not so long ago that the
election of the Council of the

regarded as a matter of course.

MATIVES AND INDIGENES.

The following letter to the

However the election may be
conducted, it is not likely that
the local interests of the
natives and indigenes will be
adequately represented.

REVENUE AND BATHING.

Now it is to be seen how the
revenue and bathing will be
conducted in the East Asiatic
Company's territories.
