These two large excellent photographs of the village at work.

It has already been proved that the male honey bees are exceedingly in the country, one plant every three feet and four times the weight of a plant in the Philippines.

They really do be proved of a good result from this industry, even at a price as low as the ordinary wax and bees.

The Standard Office.

The History of Mombasa, which has been written on an expedition trip for some years ago.

The Hon. Mr. Sir Ralph Gordon and Acting Premier of British East Africa.

On the 11th of the month of the Indian market it has been decided that from the beginning of October, the price of gold will be held at 100 shillings and 10 pence.

The National Bank of India Limited has received instructions from the Board of Directors in London that the price for the bank will be held at 100 shillings and 10 pence.

The British Press on our Shipping Ventures.

"Morning Post." It is interesting to note that the German Colon Africa Line has a strong hold on the market in this field. The fact that it was first in the field, but that it has since been followed by other lines has had its effects on the shipping market.

"Dublin Express." It is interesting to note that the German Colon Africa Line has a strong hold on the market in this field. The fact that it was first in the field, but that it has since been followed by other lines has had its effects on the shipping market.

"The Colonists Meeting." On Monday morning at 10 a.m. the Colonists' Association have a special meeting to discuss the proposed extension of the shipping line to the East Indies.

"The Times." It is clear, therefore, on the basis of what has been said, that the shipping line to the East Indies is a venture of considerable importance.

COORRESPONDENCE. BACTERIA.

ON THE SUBJECT OF "BACTERIA" mentioned in the "Morning Post" of the 12th inst. I have to inform you that the bacteria mentioned in the article are not those which are commonly known as "bacteria" but are a special form of bacteria which are found in the soil.

"The Times." It is clear, therefore, on the basis of what has been said, that the shipping line to the East Indies is a venture of considerable importance.

"The Colonists Meeting." On Monday morning at 10 a.m. the Colonists' Association have a special meeting to discuss the proposed extension of the shipping line to the East Indies.
