23 May 1914

Gentlemen,

I am etc. To inform you that he has decided that the distribution of the Nairobi Laboratory Report could be more conveniently effected from this country, where it is printed, than from the E.A.P.

2. The enclosed list of <sup>95</sup> persons, Colonies, and Institutions to which copies of the Report should be sent has been obtained from the Govt., and I am to request that you will arrange for copies of the Report to be distributed in accordance with the list

DRAFT.

EAST AFRICA PROTECTORATE.

GOVERNMENT HOUSE,  
NAIROBI.  
BRITISH EAST AFRICA.

No. 236.

March 27th, 1914.

Sir,

*Gov/3954.*

I have the honour to acknowledge the receipt of your despatch No. 151 of the 23rd of February, and to transmit herewith an amended list showing the Institutions and Savants to whom the Principal Medical Officer considers a copy of the Bacteriological Report of this Protectorate should be supplied.

List

2. Hitherto these copies, other than those shown in the enclosure to your despatch, have been sent out by the Chief Secretary, but I agree with your suggestion that this report and all other reports which are sent to England for printing should be distributed from the Colonial Office.

3. You will observe that 43 copies are required for the use of this Protectorate.

I have the honour to be,  
Sir,  
Your humble, obedient servant,

*A. C. M. O. S. D. J. S. D.*

GOVERNOR.

THE RIGHT HONOURABLE

LEWIS HARCOURT, P.C., M.P.,

SECRETARY OF STATE FOR THE COLONIES,

DOWNING STREET,

LONDON, S.W.

Mr. Fiddian

I wrote to Dr. Ross, as  
you suggested; his reply is attached.  
? I suppose we can add the two institu-  
-tions named, making the number of  
copies for "other places" 95, and leaving  
40 spare.

A.C. 5/5/14

Mr. Reed

Yes - but we can substitute  
the Medical Library at Cambridge for / Yes.  
the Univ<sup>y</sup> of Cambridge, I take it. H. J. R.

A.F.C.

at once.

H. J. R.
