States no local objection. As Watts was transferred from 25th Fusiliers question of allocation will have to be considered. Local War Relief Committee believes former in necessitous circumstances and if it is necessary would be glad if sum up to £10 could be handed over to her.

① Tell her that ca. are being arranged to pay her £10 to meet her immediate necessities; that this is done to meet at the request of the P. A. War Relief Committee & that the sum will be deducted from her pension as it may be decided to grant her. And arrange ca. accordingly.

② I see no difficulty about the allocation of Mrs Watts' pension. If her husband was transferred to a local force before his death, it follows that the local Govt. took over responsibility for him & that P. A. funds must bear cost of his widow's pension.
