Electrical Mechanician

Suggests engagement at salary demanded, with power to terminate appl. at any time after one year. Probably could not get a man cheaper from S. Africa at present time.

Mr. Botting

There seems

nothing for it but to offer him the scale of salary asked for. There is no need, however, to reserve the right to the Gov. to terminate the app. at any time after one year, as it is provided in the conditions of the app. that the Gov. may determine the engagement at any time (see latter half of § 3 of letter offering him the app. 26849).

? When his letter of 26 June (30340) is sent, say that the S. of S. is prepared, in the exceptional circ? of the present time, to offer of the

the salary of the app^t being raised
to the scale of £300-10-350: offer
him engagement on the conditions, other
than rate of salary, set out in our
letter of 14 June (26849); but draw
his attention especially to the latter
half of par. 3, saying that, after the
war, it may be no longer possible to
keep him on at the rate of salary now
offered him.

Letter to be sent v.f.s. to G.P.O.
who shd also have a copy of his letter
of 26 June & a duplicate of our letter
now to be written to him.

Your telegram of 30th June with regard to
Electrical Mechanician suggest engagement, at salary
asked with power to Government to terminate engagement
at any time after one year by giving him passage and
leave earned as at end of war ^{pa}extrant wages for such
men probably will not be necessary. Probably we
could not get a man cheaper from South Africa at
present.
