With reference to my telegram No. 122 of the 25th of April intimating the death of Lance Corporal William George Funstall of the East Africa Supply Corps, I have the honour to transmit herewith an application for pension by that officer's widow, together with her marriage certificate and the birth certificate of the deceased.

2. The applicant states that she is unable to produce birth certificates for herself and her children, but that copies could be obtained in England as she was born at Mere, Wiltshire, on the 30th June 1861, and all four children were baptised in the Parish Church at that place.

3. In order to avoid delay I have not insisted

THE RIGHT HONOURABLE

ANDREW BONAR LAW, P.C., M.P.,

SECRETARY OF STATE FOR THE COLONIES,

DOWNING STREET, LONDON, S. W.

insisted on the production of the birth certificates locally, and shall be grateful if you will cause copies to be obtained in England and attached to the application.

4. Mrs. Tunstall would appear to be eligible for a pension of 20^s/- per week, i.e. 15^s/- for herself and 5^s/- for one child, and I have approved of payment being made to her at this rate as from 23rd April, the day following that on which the deceased officer died, pending your formal sanction.

5. I shall be glad to know if any increase in the amount of the pension can be allowed in respect of the son, Brian Blatchford, who is stated to be slightly paralysed, if a medical certificate is produced to the effect that he is incapable of earning a livelihood.

I have the honour to be,

Sir,

Your humble, obedient servant,

Almonday Bayard.
