PROHIBITION OF EXPORT OF FIBRE

ASKS IF THIS INCLUDES PREPARED SICAL FIBRE OR WHETHER THIS IS INCLUDED UNDER FIBRE VEGETABLE OR OTHERWISE SPECIFICALLY PROHIBITED. QUESTION IS OF CONSIDERABLE IMPORTANCE AS EXPORT OF SICAL TO UNITED STATES IS DETERMINED THERE BY.

General Dept.

Report from

- (A) Sical strings (old)
- (B) Sical waste,
- the choice appears to me to lie between
- (C) Fibre, vegetable, (not otherwise specified), +
- Yarns, and Hemp, and
- (A) Hemp, other than Manila hemp.

(C) may go to U.S.A., but (A) may not.

Pl. let. length has (1916)

I advise the Proc. Committee (Chamber) about the sical as "Eucis". The trade classification appears to be known - eg. one of the monthly Fibre Reports in H/491/15 speaks of "other fibres" and another of "other Hemp" in connexion with B. G. A. Sical.

No doubt there is a decision on this point.

No.280. With reference to your despatch 16th May
Miscellaneous please inform me whether fibre referred
to in (?) proclamation of May 10th export of which
is prohibited to all destinations includes prepared
sisal fibre or whether this commodity is included
under the heading fibres vegetable not otherwise
specifically prohibited. Question is of considerable
importance as export of sisal to (?) United States
of America is determined thereby.
