As I have noted on W. Mason's papers, I think that his knee, which cripples him at present for long walks in a rough country, is a bar (only temporary, I think) to his appointment as an Assistant District Commissioner in East Africa.

I think, however, that he should be allowed to appoint the best local candidates named in his despatch, subject to the case of Mr. Broadford, to the effect of the B. S. C. Conference.

We can expect to get candidates from this country. We may have to make calls on the C. A. P. staff for the occupied territory in K. E. A. We must therefore take every opportunity of filling vacancies.

If you agree, will you submit for me S. S. approval?

No. 519.

REC'D
SEP 20 1916

August, 19th, 1916.

Sir,

I have the honour to transmit herewith three applications for employment in the administration of this Protectorate filled up by Mr. H. E. L. Brailsford, Mr. J. D. McKean, and Mr. C. Rose Innes.

2. These gentlemen have all been interviewed by officers of the Secretariat and are reported to be suitable for appointment as Assistant District Commissioners. Mr. Brailsford's referees have commented favourably upon his work and character, but no communication has been addressed to the referees mentioned by Mr. McKean and Mr. Rose Innes. They are however recommended by the officers under whom they are at present serving.

3. I have the honour therefore to request permission to offer an appointment as Assistant District Commissioner to each of these candidates, subject to their being passed as medically fit for service, as soon as they can be spared from their military duties. I should be grateful for a reply by telegraph.

I have the honour to be,

Sir,

Your humble, obedient servant,

Alway Bepind
