Transmits a map showing in detail the proposed regrouping of provinces. Trusts that he will have an opportunity of discussing the proposals during his stay in England.

The proposed re-organisation of the provincial administration and the position of the Chief Native Commissioner were discussed with Mr. Martin at a Conference in Mr. Bottomley's room on the 30th January.

I attach a note "A" of the discussion together with a second note "B" of a further discussion which followed as to the elimination of the separate posts of Labour Inspector under the Native Affairs Department and an addition to the staff of District Officers to provide for the work to be done by administrative officers in future.

WEST NILE DISTRICT NO. 599

ADMINISTRATIVE REORGANISATION

... that a redistribution of the territory of the Province of West Nile should come into operation on the 1st day of January, 1930.

The new administrative arrangement proposed for the Province of West Nile is as follows:—

The Province of West Nile is divided into four Districts, to-wit:—

It is not at present administratively possible to divide the Province of West Nile into more than four Districts, because the old Fort Hall and the old Districts are divided into two Native Reserve Districts, and one Non-Native District within the same Province. It is not possible at present to incorporate the Districts of Soroti and Ladoke with any Native Reserve District, as they have been done in one Province.

The names of the four Districts and their component districts are as follows:—

- Kisumu.
- Fort Hall.
- South Nyeri.
- North Nyeri.
- Embu.
- Mera.
- Musa.
- Soroti.

## HEALTH ORDINANCE

MILK AND DAIRIES  
RULES.

NOTICE.

IN ACCORDANCE with powers vested in him by Rule 9 of the (Milk and Dairies) Rules (Chapter 124, Part B, Subsidiary Legislation) His Excellency the Acting Governor has been pleased to declare that the provisions of the Milk and Dairies Rules 5, 16, 19, 23, 24, 26, 28, 30, 31, 32, 33, 34, 35, 36, 37, 38, 39, 40 and 47 of the said Rules shall apply to the District of Kisumu.

By Command of His Excellency the Governor.

Nairobi.

This 17th day of September, 1929.

H. M. M. MOORE,  
Colonial Secretary.

Province.	District.	Headquarters.
5. Naivasha	Naivasha Isakiya	Naivasha (Rumruti for the present).
6. Rift valley	Nakuru Ravine Baringo.	Nakuru.
7. Nzoia	Nandi Uasin Gishu Elgeyo Marakwet Trans Nzoia.	Eldoret.
8. Nyarua	Central Kavirondo North Kavirondo South Kavirondo Kisumu-Landiani Kisumu.	Kisumu.
9. Turkana	Turkum West Side	Kacheroba (at present).
10. Northern Frontier Province	Isiolo Marsabit Moyale Wajir Telemunget	Isiolo.

It is, however, the case that, pending the completion of district boundary descriptions, certain administrative arrangements already in force must remain with that sanction only.

Thus the Nairobi District is to be taken, pending official gazettement, as the area of the Nairobi District Council; the Nakuru and Elgeyo Districts, as the Nairobi District Council area; the Uasin Gishu District, as the Uasin Gishu District Council area. In order to enable magisterial jurisdiction to continue to be exercised as at present, magistrates will, where necessary, be given general jurisdiction over a group of districts, and as soon as possible district boundaries will be formally re-gazetted.

Nairobi.

This 16th day of September, 1929.

H. M. M. MOORE,  
Colonial Secretary.
