

Colonial Secretariat on land compensation

YOUNG Secretary at Cambridge is taking a lot of interest in public and classily questioned the Colonial Secretary, Mr. MacLellan, when he addressed the Cambridge University Conservators' Association recently.

Mr. MacLellan wrote to him on the subject of the land compensation which the Government are under obligation to pay this compensation after the land has been compulsorily bought out by the Government.

Mr. MacLellan said I am going to try to give some support to the young people who are taking an interest in this first year at the University College, studying law.

After leaving the Prince of Wales School with his Higher School Certificate at the end of 1949, he worked in the Registrar-General's Department in Nairobi for a few months before going up to Cambridge. He will be 18 in July.

DIRECTED PLAY

Another Kenya student at John's is **Hugh Brown**, in the first year, reading history.

Mr. Brown is President of the University Amateur Dramatic Society and directed their production of *Epitaph for a Rebel* at the recent meeting of the Turkey Club in Cambridge. He found three former members of Nicholson House Private in Wales School, present — **Bill Brown** and **Tom Cappon**, both ex-wards of house, and **Jan Great South**.

Domestic certificates for trainees

YOUNG Y.W.C.A. domestic trainees have just received their new certificates from the Special Course of Domestic Studies in London. All of them passed 100 marks and all have found jobs where their training is put to good use.

Lance Ashburn and **Rose Ashburn** are teaching in Nairobi. **Marjorie Warman** and **Elizabeth Warman** are working in the Warman's Home in Nairobi. **Patricia Mwangi** is in a domestic position at a Mount Kenya hotel. **Josephine Wanjiku** is being trained at Macheloni Teacher Training College.

Two of the girls are working in the Y.W.C.A. — **Grace Kibindi** in Church House, Nairobi, and **Kenneth Mwarinchi** in the association's office.

Apart from domestic studies, all of them have passed Red Cross tests in first class, and sat for the Royal Society of Arts examination in English for foreigners, though they have not heard the results of this yet.

DANGER TO HEALTH AND

Public Health Inspectors (European), Mr. Burgo, the Chairman of the Kenya Health Inspectors' Association, said that a severe setback after independence if certain inspectors were hurriedly repatriated by local health inspectors.

He went on to say that in Kenya 20 or 25 men were repatriated a total of 50.

It is today irresponsible to have such a reduction from 47 to 25, he said, because the local health inspectors are inexperienced as 'less qualified health inspectors' concentrated a great deal of their time in training some of these candidates for the job.

He should realize that local health inspectors are inexperienced as 'less qualified health inspectors' concentrated a great deal of their time in training some of these candidates for the job.

Mr. Burgo said that the repatriation of 25 men would mean that only 22 men would be left to do the work of 47 men. He said that the repatriation of 25 men would mean that only 22 men would be left to do the work of 47 men.

Economists

Mr. J. S. ABWALWONDO, Kenyan Assistant Secretary of the Association, said that it would be re-estimated.

Kenya's public health standard has improved greatly in the past few years because of the good work of the local inspectors and assistants. This is both in terms of the number of inspectors and the quality of their work.

Mr. Burgo said that the repatriation of 25 men would mean that only 22 men would be left to do the work of 47 men.

CAMPBELL'S TOMATO SOUP of course! A soup filled with the goodness of specially-grown Campbell tomatoes, picked at the peak of their flavour and nutrition. Slowly simmered, carefully seasoned. A soup so appetizing, wholesome and nourishing that it makes everyone ask for more.

Because Campbell's Soup is condensed... one can mixed with a can of water equals two cans of ready-to-serve soup.

PEE SAVES EUROPEANS at the helm... WITHOUT A RIVAL

Middle batsmen fight to draw

T. C. D. JONES reports

EUROPEANS thank F. A. Peet for the fact that they prevented the Asians from taking a lead in the annual series yesterday, at the Sikh Union ground, Nairobi. The middle order, opening batsmen again failed and it was left to the middle order, as in the first innings, to put them back into the game.

Fleming and Saunders did only half as well as they did in the first innings but Peet excelled himself. His first day of 64 proved to insignificant with his grand knock of 98 in the second, there was probably not a doubt in the mind of any one who had completed his century. One four off that last over might have done it but Peet tumbled before the batsman.

Many incidents in this match kept us on the edge of our seats. The Asians were in a similar position to that of the Europeans. The Asians avoided defeat, just as the Europeans were prevented from doing so.

Peet probably only won the series because he has more batting experience than the Asians.

Touch and go
 By 2.30 pm four wickets were down for 216 and the match was in a state of confusion.

CAVALIERS AHEAD OF RHODESIA

An opening partnership of 118 between Colin McDonald and the Commonwealth (50) helped the Cavaliers to a first-innings lead of 18 over Rhodesia in the second day of their three-day match in Bulawayo.

TWEEDLE LANDS TREBLE

On his last appearance in international cricket for Australia, Bruce Tweedle scored a triple century in the first innings of his match against the Turko-Club Club in Perth.

'SONNY' LISTON SAYS: WE SIGN NEXT WEEK

SONNY LISTON, the giant American Negro, in Detroit yesterday he thought he and Floyd Patterson would probably sign next week to meet for the world heavyweight championship.

LISTON added: "Everything seems just about set for a summer fight. I don't know where and I don't care just as long as I finally get him in the ring."

Strikers play ball again

The American National Baseball Association gave the backing to Liston as he returned to Chicago, where he was the logical opponent for Patterson.

The N.B.A. in a statement said it had approved Liston's involvement in violation of the rules of the association.

LISTON said he had "casually reviewed the regulations" and found that they did not apply to him.

INTERNATIONALLY FAMOUS -

Few paints can equal the worldwide reputation of Interlux Superluxe Enamel—especially where conditions are notoriously tough on paint. With its steel surface, its glossy smoothness, and its resistance to seeping temperatures and coastal winds, no paint can beat it.

Remember the name: Interlux Superluxe Enamel—it is also unaffected by petrol and oil and ideally suited for the protection of all forms of transport.

Granny takes on a new role

Do you join in the Battle of Hastings, Granny, or think you're too old? The very young are learning to think that anyone over the age of 50 came out of the Ark...

Granny is becoming hot only because she is also healthy and lives longer. During the last hundred years, a British woman's average life has increased from 46 to 75 years...

Even if Granny is around, she has lost much of her traditional power. Increasingly, children learn about the world and its ways from outside the home...

One young grandmother is particularly active with her grandchildren. She takes them bird-watching at 6 o'clock in the morning, and even goes swimming with them...

Communication between those of different generations is seldom easy. But sometimes and in some ways children are very much at fault...

On occasion she may seem eager to show them their own parents, who are more involved and concerned with their development...

In fact the modern grandmother is becoming a friend to her grandchildren in a way she probably never was to her own children.

Thousands at swearing-in ceremony

STANDARD STAFF REPORTER KAMPALA. UGANDA yesterday attained internal self-governing status. In taking the oath as the country's first Prime Minister, Mr. Benedicto Kiwanuka stood beside the Governor of Uganda, Sir Walter Coutts, as they took the salute at a ceremonial parade of the Uganda Rifles and Uganda Police.

Thousands of people crowded the Parliament Buildings, climbing trees and perching on buildings to watch the proceedings. Sir Walter expressed the hope that Uganda would proceed in the coming months in a peaceful and orderly fashion to a "satisfactory realisation of full independence." He added: "Only when this stage has been successfully reached will Her Majesty's Government feel that the obligations to the people of Uganda have been fully discharged."

Time for rejoicing
The new premier said: "Today marks the end to a very great extent of the struggle of the African people in this country for freedom. From now on the indigenous people of Uganda will make and implement decisions concerning the internal government of their country without reference to anyone else."

Endurance looks good for K. Police Cup

BY BLACK DIAMOND

THE 1962-63 racing season opens this weekend with a two-day meeting at Nairobi. Entries are generally good for all of the 14 races over the two days, and with the going on top of the ground, fields should be well up to average.

The main race of the meeting, The Governors' Conference Cup, is a two-day event. Entries are generally good for all of the 14 races over the two days, and with the going on top of the ground, fields should be well up to average.

A First and Second Division Handicap program is a new feature. Racing opens today with a Fourth Division sprint and the finish of this race should involve Love Set, Snow Glue and Ben Bun. The latter finished second last time and may now reverse the placings.

There is a large field for the Three-Year-Old Maiden Plate over five furlongs and Summer Day who ran second in her last race could be the winner from Migrant and Brouser Babe.

Dancing Prince is selected to win the Second Division Handicap. Prince is selected to win the Second Division Handicap with only five furlongs to go.

The main race of the day is the 1 1/2 mile race between Able Seaman and Marmite. Able Seaman won a good race at this meeting and it may be just too much for Herald to go to give Mr. Marshman's runner a bit.

The Kenya Police Cup is a fourth Division race. The original entry of 14 has cut up quite a bit. Francis Erskine with the most sound record and this combination must have a great chance.

Callers ahead will have the benefit. John Cullen should also perform. He has won the 1 1/2 mile race at the meeting.

Lovers Lane will have the benefit. John Cullen should also perform. He has won the 1 1/2 mile race at the meeting.

The Third Division Handicap over six furlongs and it is expected that this event won't be won by Tido. The favorite is expected to be Camranda and Flora close up at the finish.

There are ten entries on the card for the Governors' Conference Cup which is run over two days. The race will not close until this evening as the composition of the field can only be guessed at this time.

Karamoja, who heads the handicap, has only 10 lbs. but is expected to give a great deal of trouble. He is expected to be a really first-class miler and should have a sound chance.

POLICE MERCY MISSION

The gun on the stretcher, Iria, E. Burton, lay helpless for eight hours in the sandy wastes of the Northern Frontier after being bitten by a poisonous snake. A truck eventually reached him and a patient in an armoured shirt helping to load the wounded man on to his plane. Iria, Burton, who now is in Kenya Hospital, where he is reported to be "out of danger". (See story in Page 5.)
 Heavy losses have incurred 12 rifles and 240 rounds of ammunition for in their sweep against the Tutsi infiltrators in the Northern Frontier. The Kenya policeman pictured below has been found with derelict these weapons. More than 1,000 men have been drafted into the area from East and Uganda to help swell the under-armed security forces who regularly patrol the area.

The leader of the Kenya Coalition Party, Sir Ferdinand Cerulli-Bentick, welcomed Sir Roy Welensky, the Prime Minister of the Central African Federation, at the weekend when he stopped over at Nairobi Airport on his way home after his London talks on the future of the Federation.

The grand assembly

DEMONSTRATIONS of camping skills were the features of a Central Africa Rally, organized by the Nairobi Local Association and held at the Nairobi Golf Course, Friday. Here the leaders and members of all the companies attending the event are seen camping under their tents.

Rheumatism relieved

Powerful new drug reaches the spots which cause pain

The pain of rheumatism, no matter where you feel it, may be caused by a trigger spot—a small focus of trapped, inflamed tissue some distance from where you actually feel the pain! This astonishing discovery has led to the development of a completely new rheumatism treatment, which attacks the root of the trouble, the trigger spot.

Adrenaline, the drug which causes muscles to relax, is now used by doctors to relieve rheumatic pain. It is available to all rheumatic sufferers in Lloyd's Adrenaline Cream. Applied to your trigger spot it draws warm fresh blood into the cramped muscle which quickly relax. Cramp disappears—your pain ends.

CHAMPIONS LIVE UP TO THEIR KENYA TITLES

By CHARLES DISNEY

ANY doubt that might have existed regarding a genuine championship standard of Kenya boxing was completely dispelled in the 1962 international championships at the Nairobi City Hall.

It was the genuine article that was the greatest prize and each champion was without reservation, fully entitled to that title.

Two holders, retained their titles. Mohamed Noor (Pakistan) and Gabriel (Kenya) were both remarkably improved boxer. Gabriel was a superb boxer, hard, clean, clever, strong, skilful and fit and earned a tremendous ovation. Gabriel of the Gambia, was the two-time champion of the world. Gabriel was the two-time champion of the world.

Close decision

There were some fine contests, but including the preliminary, but probably the only real test of the force of a new boxer was the fight between Mohamed Noor and Gabriel.

STANLEY Russia dooms original plan

RUSSIA has accepted that the Geneva disarmament conference should start as the Foreign Minister said.

Mr. Macmillan told the House of Commons last night: 'I have just received a Note from Mr. Khrushchev stating that he is now broadly agreed to the procedure which President Kennedy and I proposed on February 8.'

The Soviet leader had earlier agreed that the 18 nations on the talks should, but yesterday's Note from him, details of which were released in Washington, said the readiness agreed to the Anglo-American counter-proposal.

Reason for U.S. tests

The message agreed that the Soviet Foreign Minister, Mr. Gromyko, would go to Geneva in a few days to be prepared to attend a preliminary meeting there with the British Foreign Secretary, Lord Home, and the US Secretary of State, Mr. Dean Rusk.

TALKS ON ZANZIBAR MEETING SUCCESS

The Zanzibar Nationalist Party leader said yesterday that the meeting was a success and that the party had been virtually elected on a new constitution for independence.

Mr. Macmillan replied: 'We think that the draft is a reasonable basis for discussion, but we are not making any proposal that can help to make it successful.'

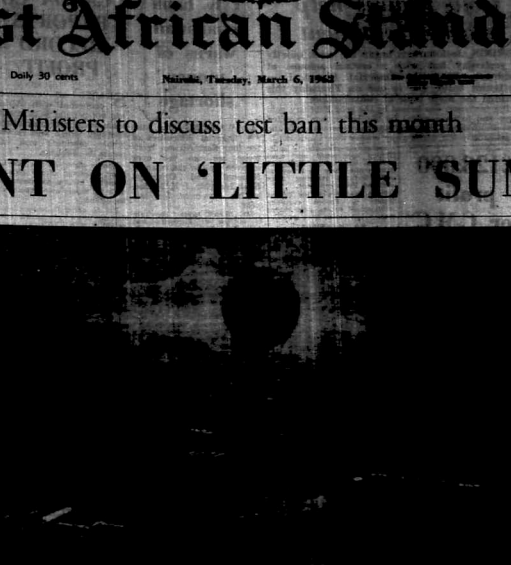

200-BOMB ATTACK

Streets were thick with people in Algeria yesterday after a 200-bomb attack on Algiers.

At least 200 bombs were exploded in the city, and the explosion caused considerable damage and casualties were reported.

The association has a plan estimated to cost a million pounds to be carried out by its assets.

The delegation drew attention to the fact that the British Government is not taking any action to help the civil servants in the colony.

Engine fault keeps plane at Embakasi

THIS WAS BOXING AT ITS BEST

by Charles Dwyer

T'mish, I think, be admitted that this year's Kenya championship attained an overall standard little below that of all the other years.

Both Friday nights previous sessions could be said to be a sort of consolation prize for the general standard of the championship.

A BREAKDOWN in the regular airline services is almost certain to prevent a prompt start to today's Kenya v. Commonwealth Cavaliers cricket match, due to begin at the Sikh Union ground, Nairobi, at 11 a.m.

A London-Nairobi-Johannesburg aircraft was delayed at Embakasi yesterday with engine trouble. It is the plane which was due to pick up the Commonwealth cricketers at Salisbury on its return journey last night.

But the aircraft was still at Embakasi late last night. Engineers were arriving to repair the fault by 11 p.m. but even if the aircraft was able to leave for Johannesburg at this time it could not re-appear at Nairobi before 11 a.m. this morning.

It is unlikely that the Cavaliers will charter a private aircraft for the occasion.

But Kenya Cricket Association officials are confident that the match will be on under way by 11 a.m. if the plane does not arrive.

Mr. J. B. Secretary of the Kenya Cricket Association, Mr. J. C. Sturges and Mr. J. C. Sturges, who is in charge of the match, said that the match will be on under way by 11 a.m. if the plane does not arrive.

UNLICK some business companies have been asked to contribute towards the cost of the match. The match will be on under way by 11 a.m. if the plane does not arrive.

ELDORET sportsmen can be forgiven if they sit back and relax for a couple of weeks after cramming everything from volleyball to football into the past week of public celebrations, although the first week of the spirit had to be cancelled through lack of entries.

On Saturday night the Kenyan Boxing Club held a challenge trophy which they won on the two occasions.

But Kikula had a surprise at the end of the week when they fought well and won by a five points to four.

Common interest in children's races at meet

By JEAN VAUGHAN

GETTING to Know You" should be the theme of the 44th Kenya Women's Society, which last week-end held its fourth summer school at the Langford Recreation Centre. The society is an inter-racial body which aims at bringing unity to the women of Kenya through greater understanding of each other and through common interests.

As each branch reported on the week's activities at the annual meeting held with the school, it became clear that small groups of women all over the country are acquiring valuable understanding by meeting each other socially and working together for charity or for their district.

Very interesting and enthusiastic reports came from the four nearest branches. Mrs. B. D. Donohoe, of Thika, was the guest speaker.

Parents must help their children to see the truth, however difficult it might be.

By constant use of the word "truth" in the case that come to the attention of the police, the children are being trained to see the truth, however difficult it might be.

Of those who are receiving care in the hospital, the majority are from the school at Diani.

The school started in 1942 to help the poor and blind, and its pupils have been trained in various subjects.

Today, its pupils include boys and girls, and the school is now a well-known institution.

At the school, the children receive instruction in various subjects, and are also taught to be self-reliant.

They also receive eight years of G.A.E. examination or are trained to be self-reliant.

Yet it was only last year that the school was founded, and it has since then become a well-known institution.

Discussed aspects

After hearing the guest speaker, the members divided into groups to discuss various aspects of the subject.

Training for girls lacking mental and physical handicaps was discussed, and the members agreed to help in this work.

About 100 members and their families attended the summer school, and many of them have since then become active members of the society.

Members included a religious representative from the Hindu, Muslim, Parsi and Christian religions.

Princess gains vote of poor

A RICH and widely travelled society hostess has proved a point: that in Mr. Nehru's socialist India, where royalty has officially been abolished, peasants still dearly love a princess—especially a beautiful one.

At the same time her older son retained the a noble-looking constituency in Rajasthan and the younger boy beat the State's Revenue Minister for a seat in the local assembly.

All three are Swastika-obsessed, and as such, they want to see private enterprise given its head.

The Maharaja herself ascribed her victory to the desire of the people of her State for a return to "olden days" when food, clothing and shelter were cheap and plentiful.

WHAT happened to a Kenya XI... The Kenya XI, 63 for seven overnight, added only 55 runs to their total before they were out in 18 minutes' play in the morning.

When the Cavaliers went in for their second knock it was rumored that an agreement had been reached between the two captains not to use fast bowlers on either side.

One reason given was that Roy Lindwall considered the pitch too dangerous for the tourists to face. Leachman and Pringle, so the Kenya operators were telling Smith and Kibwe, with Black and Jernam as first changes.
