K.P.U. STAGES SCENE IN HOUSE

Mr. Odinga cheered after stormy debate

The K.P.U. slogan "I rang the bell for the people" was repeated in the House of Representatives in a debate on the police detention of Mr. Odinga. He told the House that he had been held for 14 days under the name "Mr. R. R." which is not his own.

Mr. Johnson asks China 'be friends'

PRESIDENT Johnson yesterday issued a new appeal for reconciliation between Communist and non-Communist nations, urging China to become friends with the United States. However, he said his country would never surrender the freedom of herself or her allies as the price for peace in Asia.

COFFEE SALE

Kenya Ltd. has ordered the construction of a paper bag factory in Nairobi. The factory is to be built on a site near the city centre and is expected to be completed by the end of the year. It will have a capacity of 100 million bags per annum.

Burma has left the sterling area after a period of 15 years. The move is the result of a decision by the Burmese government to join the dollar area. This will have significant implications for the sterling area's balance of payments.

Record payout for Kenya dairymen

Kenya dairymen have received a record payout for the year ending March 31. This is due to a combination of factors, including a high level of production and a strong market for dairy products.

Ghana transport plan

Ghana has announced a comprehensive transport plan aimed at improving the efficiency of its road network. The plan includes the construction of new roads and the upgrading of existing ones.

PLANS FOR NAIROBI NATIONAL PARK

It is a full year since the Government decided to set aside a large area of land in the neighbourhood of Nairobi for a national park. The plans for the park are now being drawn up and it is expected that the park will be opened to the public in the next few months. The park will be situated on the eastern side of Nairobi, and will cover an area of about 10,000 acres. The park will be a natural area, and will be managed in accordance with the principles of conservation. The park will be a place where the public can enjoy the beauty of the natural world, and where they can learn about the life of the animals and plants that live there. The park will also be a place where the public can enjoy the fresh air and the view of the city. The park will be a place where the public can enjoy the beauty of the natural world, and where they can learn about the life of the animals and plants that live there. The park will also be a place where the public can enjoy the fresh air and the view of the city.

"THE BIBLE" RETAINS ALL THE POETRY AND LOFTINESS OF VISION THAT HAVE KEPT IT THE BEST-SELLER OF ALL TIME...WHAT JOHN HUSTON AND CHRISTOPHER FRY HAVE ATTEMPTED IS SOMETHING FAR MORE CHALLENGING, FAR MORE DIFFICULT, AND ULTIMATELY FAR MORE REWARDING THAN ANY PREVIOUS BIBLICAL SPECTACLE... AS FINE A VERSION AS WE SHALL EVER SEE IN MOVIES!" — Arthur Knight, Saturday Review

"EXTRAORDINARY EFFECTS... STUNNING PROJECTION... THE SCENES OF THE CREATION ARE AWESOMELY EVOLVED... SOMETHING WARM AND MYSTERIOUS COMES FROM THE SCENE IN WHICH ABRAHAM IS VISITED BY THE THREE ANGELS, ALL PLAYED SYMBOLICALLY BY PETER O'TOOLE." — Bosley Crowther, N.Y. Times

"...AWE IS THE KEY WORD... A SWEEPING VISUAL DRAMA OF LYRIC SPLENDOUR... IMAGE AND COLOUR TO STIMULATE THE SENSES AND UNLEASH THE IMAGINATION... WE ARE ROUSED TO WONDER... AVA GARDNER'S SARAH IS BEAUTIFUL." — Judith Crist, N.Y. World Journal Tribune

"... HIGHEST RATING! A STUNNING PRODUCTION... THE FILM IS STUPENDOUS IN ITS POETIC IMAGE OF THE CREATION... A THRILLING SIGHT PHOTOGRAPHED WITH GREAT IMAGINATION. 'THE BIBLE' IS AN IMPOSING FILM... BREATHTAKING IN SCOPE AND GRANDEUR... THE BUILDING OF THE ARK IS PRESENTED IN A LIGHTHEARTED AND DELIGHTFUL MANNER, MAKING THIS THE MOST ENDEARING PART OF THE FILM!" — Kate Cameron, N.Y. Daily News

"THE BIBLE" IS THE MOST SATISFYING AND DISTINGUISHED OF THEM ALL... FASCINATING FOR ITS ENTIRE 3-HOUR LENGTH, AND DIRECTED WITH SPLENDID TASTE AND IMAGINATION BY JOHN HUSTON... A RARE FILM EVENT!" — Hollis Alpert, Woman's Day

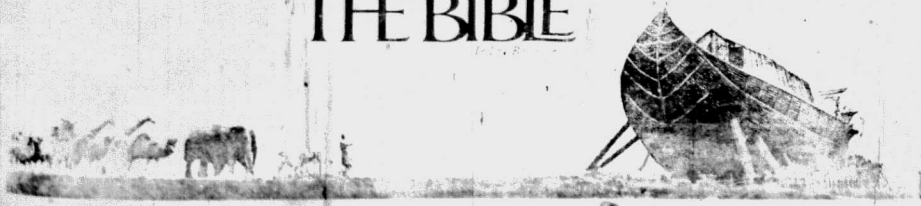

"...AWE-INSPIRING SPLENDOUR THUNDERS FROM THE WIDE SCREEN!... MOST OF ALL, 'THE BIBLE' IS JOHN HUSTON... HUSTON THE DIRECTOR... HUSTON THE NARRATOR... HUSTON THE ACTOR. ALL THREE ARE SPLENDID, AND SO IS THE PICTURE!" — Allen Jefferys, WABC-TV

"HUSTON RENDERS GENESIS AS A SUPREME POETIC MYTH CONTAINING IN THE VIOLENCE AND BEAUTY OF ITS IMAGERY SHATTERING INSIGHTS INTO THE HUMAN SOUL." — Arthur Schlesinger, Jr., Vogue Magazine

"THE BIBLE" IS A UNIQUE FILM ACHIEVEMENT WHICH WILL ENDURE. IT IS A TRIUMPH OF WHICH DE LAURENTIIS, HUSTON AND FRY CAN BE FOREVER PROUD." — Murfi, Variety

ONE-CHAMBER PARLIAMENT PLAN OUT

Constituency changes will give 187 seats

The Government of Kenya has asked the President to agree to amendments to the Constitution to allow the formation of a one-chamber parliament with 187 seats and the abolition of the Senate and the House of Representatives.

Majority rule and nothing else—Kenya

KENYA'S Ambassador to the United States and the United Nations, Mr. Schwartz, yesterday told a U.N. committee that Kenya would not accept a government in Rhodesia which was not popularly elected on the basis of one man — one vote for this was "the type of democratic government we know." The committee is discussing U.D.I.

PEUGEOT RALLY SUCCESSES BUILD A REPUTATION FOR RELIABILITY

The Peugeot 204, which has been the most successful of all the cars in the Africa Rally, has a reputation for reliability which has been established in the past by its success in the most gruelling of all motor races.

Marshall's
SUPPLEMENT

Hard driving

The Peugeot 204, which has been the most successful of all the cars in the Africa Rally, has a reputation for reliability which has been established in the past by its success in the most gruelling of all motor races. The car's success is due to its rugged construction and its ability to withstand the most severe conditions. It has been driven for thousands of miles in the most difficult terrain, and has always returned to its starting point in perfect condition. This is a testament to the quality of the car's engineering and the reliability of its components. The Peugeot 204 is a car that is built to last, and its success in the Africa Rally is a clear demonstration of its ability to perform under the most demanding conditions.

The 204 which came second overall, only two minutes behind the winner, in the recent Cote d'Ivoire Rally and won the class for cars up to 1300 c.c. Only 16 of some 50 starters finished the rough and muddy 400-mile route.

Measure of faith

Winning run

The Peugeot 204 has a long and distinguished history of success in motor racing. It has won numerous rallies and races around the world, and its reputation for reliability and performance is well established. The car's success is due to its rugged construction and its ability to withstand the most severe conditions. It has been driven for thousands of miles in the most difficult terrain, and has always returned to its starting point in perfect condition. This is a testament to the quality of the car's engineering and the reliability of its components. The Peugeot 204 is a car that is built to last, and its success in the Africa Rally is a clear demonstration of its ability to perform under the most demanding conditions.

3-2 Kenyatta Cup final replay

CENTRAL NYANZA became the first winners of the Kenyatta Cup when they beat Mombasa 3-2 in the replayed final at the Nairobi City Stadium last night. The Kenyatta Cup football tournament replaced the Brumfitton Cup of which Nairobi were the winners. Mombasa and Central Nyanza had drawn 2-2 in the first match on the previous day.

The Central Nyanza football team, winners of the Kenyatta Cup, with their manager, Mr. J. M. Mwangi, in the center of the front row.

With changes have officially recommended between Europe and Africa and the delivery of East African Airways' first Super VC10, civil aviation is entering a new phase in this part of the world. By coincidence it was 40 years ago this month that a flight was made which gave the first real indication of the possibilities of long-distance air services. This article is by the man who made it.

EPIC FLIGHT PAVED WAY TO AIR TRAVEL OF TODAY

By Sir Alan Cobham

IN 1924, I WAS A young gunner aboard the aircraft of the Royal Flying Corps. The House of Commons, Parliament, Farman being regarded as the man. Alan Cobham, who had a reputation for being the man to beat in Africa and Asia.

For the first time, I was one of a group of men who had made the world's first long-distance flight. I was commander of a Farman biplane which flew from London to Africa and back.

My first steady employment was in the Royal Flying Corps, where I was employed in the development of long-distance flying in the early 1920s.

The first long-distance flight was made in 1924, when I was commander of the Farman biplane which flew from London to Africa and back.

Team finds 12th century town at Lamu

A PREVIOUSLY unrecorded town has been discovered by archaeologists northwest of Pate in the Lamu archipelago. The first settlement at the site was founded in the 12th century and the town was at its most prosperous in the 15th and 16th centuries.

British funds weak on quiet market

THE LONDON STOCK MARKET REMAINED QUIET, ALTHOUGH there is the hope of a slight improvement. Quits held firm for government U.S. demands and the recent uncertainty of Britain's leaving the pound zone. For more, see general market, for an up-to-date setting.

HOUSE RENT CONTROL BILL OUT NEXT WEEK

RENTS on residential premises in Kenya had sky-rocketed because the building industry had failed to re-emerge during the past seven years arising from uncertainty of the use of incentive, the Kaimosi M.P. for Nairobi North-West, Dr. P. R. S. Di Salvo yesterday told the House of Representatives during the resumed debate on the Estimates of Expenditure for the Ministry of Housing which were later approved.
