-you'll see why!

People who know Scotch by experience, know that above all, its mystic process of evolution cannot be hurried-refuses to lend itself to mass on techniques. They like their Scotch made the old, slow way-like it made by a small family concern to whom time and productivity mean no re now than a hundred years ago-like it the way it is in the tall triangular bottle.

You can see these 1,400 authentic colour schemes designed by Interior Decorating experts! Borrow a copy from your DULUX Paint Centre-you'll find it fascinating and easy to select the exact colours you want right at

home, to suit your carpets, furnishings and curtains.

Then watch the DULUX COLORMETER in action! The operator turns up a formula . . . places a can of DULUX or DU-VOGUE on the machine . . . and in two minutes, her presto! the exact shade you've chosen is specially mixed for you, always have the exact colour you want and in either DULUX Super-Gloss or Super-Eggshell, or velvet-matt DU-VOGUE Super-Plastic-The Best in Paints!

# the amazing DULUX COLORMETER

You simply must see this new DULUX COMPLETE PAINT SERVICE

n—it will give you a completely new conception of

this new DULUX Complete Paint Service at HOUSE VICTORIA STREET NAIROBI

eic. there is very little reference agonat sounces of to take a price in the reference of the communities of the take a price in the reference of the communities of an electronic or the communities of the communities of and end there is need for training deemens, kepter and conducted, which Government has an obligation and conducted, which Government has an obligation and conducted, which Government has an obligation there still remains the problems of the communities of the communities of the communities of the communities of training people and communities of the communities of training people and the communities of the communities of training people and the communities of the limits on a job well done, and giving little thought com shortcoming.

Machine accounting for the smaller business . . .

# Burroughs director accounting machine

The remarkable Burroughs Director Accounting Machine enables any business to realise fully the advantages of mechanized bookkeeping. Open accounts, Hire Purchase accounts, Iedger and statements are printed and proved simultaneously, Stock records and cost records are other jobs the Director can do for you. It is ideal for any business needing a single machine of of the larger firm requiring a number of accounting machines. Complete with stand and side table at a price that is pleasantly modest.

Call your Burroughs man for a demonstration today.
