

Firming up ties with Liberia

THE UNIVERSITY OF NAIROBI (UON) WILL CONTINUE TO COLLABORATE WITH THE REPUBLIC OF LIBERIA to ensure that there is knowledge transfer and expertise in commerce and industry. This was said by Hon. Robert Kilby, Auditor General, and Republic of Liberia who led a delegation from the General Auditing Commission on a visit to UoN.

Kilby's visit coincided with the graduation of 33 students from Liberia who were admitted in January 2011. The students, who were sponsored by the General Auditing Commission for their Masters in Business Administration (MBA) studies, are expected to benefit from the experience and the good relations existing between Liberia and Kenya.

While receiving the visitors on behalf of the Vice-Chancellor, Prof. Jacob Kaimenyi, then Deputy Vice Chancellor (DVC), Academic Affairs, reaffirmed that the University of Nairobi will continue its pledge to help rebuild Liberia, which can only auger well for international relations. He called on the visiting team to give the students an opportunity to practice what they have learnt.
