

Prof. Mwang'ombe's Principal Cavs Bulls Match 2015

Prof Mulei (acting Principal) presenting a trophy to the Faculty of Agriculture team in the just concluded Prof. Mwang'ombe Principal CAVS Bulls Match 2015.

This year's Prof. Mwang'ombe's Principal CAVS Bulls Match has come to an end. The football competition, which took place at the College sports complex, involved inter-year competition throughout the week and saw Faculty of Agriculture jostling it out against Faculty of Veterinary Medicine at the final stage. The Faculty of Agriculture team emerged the winner.

College acting Principal and Dean of Faculty of Veterinary Medicine, Prof. Mulei, thanked the students for their team spirit, energy and discipline exhibited throughout the matches. He encouraged them to have the same spirit in their studies and other activities at the University.

Thereafter, students feasted on two bulls offered by the principal.

This annual unique event was initiated by Prof. Mwang'ombe, the Principal, ten years ago.
