

The objective of the workshop was to review the proposed curriculum with the stakeholders drawn from the College of Architecture and Engineering (CAE), [Institute of Nuclear Science and Technology \(INST\)](#), [College of Biological and Physical Sciences \(CBPS\)](#), Ministry of Energy and Petroleum, [Engineers Board of Kenya \(EBK\)](#), [Institute of Engineers of Kenya \(IEK\)](#) and players from the oil industry.

This was in a bid to finalize the development of the curriculum for presentation to University of Nairobi Senate for approval. Once approved the course will be offered at the School of Engineering commencing in the 2014/2015 academic year
