

## Library orientation for Masters Students from the department of Paediatrics and Child Health.

The college of health Sciences Librarian Mr. George Nyalwal took Masters Students through CHS Library Orientation on 23/9/2014.

The students were given tour of the library and instructed on how to access the following:

- How to use the online public access catalogue to access print books.
- Access to library e-resources (e databases-books and e-journals).
- Access to the digital repository
- Remote access to library resources
- Access to open access resources
- Library rules and regulations
